SECTION A  COLLECTIVE BARGAINING RELATIONSHIP

PREAMBLE

The parties recognize and support the purposes of this agreement to be:

a. to set forth the terms and conditions of employment agreed to between the parties;
b. to promote harmonious relations between the Board and the Association;
c. to establish a climate for students that promotes excellence in education in this school district.

DEFINITIONS

Continuing Teacher

    Shall mean a teacher appointed for an indefinite period.

Part-Time Teacher

    Shall mean a teacher having an appointment of less than 1.0 F.T.E. (Full Time Equivalent)

Term Specific Teacher

    Shall mean a teacher appointed for a specified period.

Teacher-On-Call

    Shall mean a teacher employed to supplement the teaching staff in instance of illness or absence.
ARTICLE A.1  TERM, CONTINUATION AND RENEGOTIATION

In this Collective Agreement, "Previous Collective Agreement" means the Collective Agreement constituted under the Education Services Collective Agreement Act, S.B.C. 2002, c. 1 and extended by the Teachers' Collective Agreement Act, S.B.C. 2005, c. 27 that was in effect between the parties for the period July 1, 2001 to June 30, 2006 including any amendments agreed to by the parties during that period.

1. Except as otherwise specifically provided, this Collective Agreement is effective July 1, 2006 to June 30, 2011. The parties agree that not less than four (4) months preceding the expiry of this Collective Agreement, they will commence collective bargaining in good faith with the object of renewal or revision of this Collective Agreement and the concluding of a Collective Agreement for the subsequent period.

2. In the event that a new Collective Agreement is not in place by June 30, 2011 the terms of this Collective Agreement are deemed to remain in effect until the date on which a new Collective Agreement is concluded.

3. All terms and conditions of the Previous Collective Agreement are included in the Collective Agreement, except where a term or condition has been amended or modified in accordance with this Collective Agreement.

4. a. If employees are added to the bargaining unit established under section 5 of the Public Education Labour Relations Act during the term of this Collective Agreement, the parties shall negotiate terms and conditions that apply to those employees.

b. If the parties are unable to agree on terms and conditions applicable to those employees, either party may refer the issues in dispute to a mutually acceptable arbitrator who shall have jurisdiction to impose terms and conditions.

c. If the parties are unable to agree on an arbitrator, either party may request the Director of the Collective Agreement Arbitration Bureau to appoint an arbitrator.

5. a. Changes in those local matters agreed to by a local and the employer will amend the Previous Collective Agreement provisions and form part of this Collective Agreement, subject to Article A.1.5.b below.

b. A local and the employer must agree to the manner and timing of implementation of a change in a local matter.

c. i. This Collective Agreement continues previous agreements between the parties with respect to the designation of provincial and local matters (See [Provincial] Letter of Understanding No. 1).

ii. The parties may agree to another designation which is consistent with the Public Education Labour Relations Act.
ARTICLE A.2 RECOGNITION OF THE UNION

1. The BCPSEA recognizes the BCTF as the sole and exclusive bargaining agent for the negotiation and administration of all terms and conditions of employment of all employees within the bargaining unit for which the BCTF is established as the bargaining agent pursuant to PELRA and subject to the provisions of this Collective Agreement.

2. Pursuant to PELRA, the employer in each district recognizes the local in that district as the teachers’ union for the negotiation in that district of all terms and conditions of employment determined to be local matters, and for the administration of this Collective Agreement in that district subject to PELRA and the Provincial Matters Agreement.

3. The BCTF recognizes BCPSEA as the accredited bargaining agent for every school board in British Columbia. BCPSEA has the exclusive authority to bargain collectively for the school boards and to bind the school boards by collective agreement in accordance with Section 2 of Schedule 2 of PELRA.

ARTICLE A.3 MEMBERSHIP REQUIREMENT

1. All employees covered by this Collective Agreement shall, as a condition of employment, become and remain members of the British Columbia Teachers’ Federation and the local(s) in the district(s) in which they are employed, subject to Article A.3.2.

2. Where provisions of the Previous Local Agreement or the Previous Letter of Understanding in a district exempted specified employees from the requirement of membership, those provisions shall continue unless and until there remain no exempted employees in that district. All terms and conditions of exemption contained in the Previous Local Agreement or the Previous Letter of Understanding shall continue to apply. An exempted employee whose employment is terminated for any reason and who is subsequently rehired, or who subsequently obtains membership, shall become and/or remain a member of the BCTF and the respective local in accordance with this Collective Agreement.

ARTICLE A.4 LOCAL AND BCTF DUES DEDUCTION

1. The employer agrees to deduct from the salary of each employee covered by this Collective Agreement an amount equal to the fees of the BCTF according to the scale established pursuant to its constitution and by-laws, inclusive of the fees of the local in the district, according to the scale established pursuant to its constitution and by-laws, and shall remit the same to the BCTF and the local respectively. The employer further agrees to deduct levies of the BCTF or of the local established in accordance with their constitutions and by-laws, and remit the same to the appropriate body.
2. At the time of hiring, the employer shall require all new employees to complete and sign the BCTF and Local application for membership and assignment of fees form. The BCTF agrees to supply the appropriate forms. Completed forms shall be forwarded to the local in a time and manner consistent with the Previous Local Agreement or the existing practice of the parties. [The practice is: completed forms shall be forwarded by the teacher to the Association not later than (15) fifteen calendar days following the date of hiring.]

3. The employer will remit the BCTF fees and levies by direct electronic transfer from the district office where that is in place, or through inter-bank electronic transfer. The transfer of funds to the BCTF will be remitted by the 15th of the month following the deduction.

4. The form and timing of the remittance of local fees and levies shall remain as they are at present unless they are changed by mutual agreement between the local and the employer. [The practice is: the form and timing of the remittance of local fees and levies shall be by the fifteenth (15th) day of the month following such deduction.]

5. The employer shall provide to the BCTF and the local at the time of remittance an account of the fees and levies, including a list of employees and amounts paid.

ARTICLE A.5 COMMITTEE MEMBERSHIP

1. Local representatives on committees specifically established by this Collective Agreement shall be appointed by the local.

2. In addition, if the employer wishes to establish a committee which includes bargaining unit members, it shall notify the local about the mandate of the committee, and the local shall appoint the representatives.

3. Release time with pay shall be provided by the employer to any employee who is a representative on a committee referred to in Article A.5.1 and A.5.2 above, in order to attend meetings that occur during normal instructional hours. Teacher on call costs shall be borne by the employer.

4. When a teacher on call is appointed to a committee referred to in Article A.5.1 and A.5.2 above, and the committee meets during normal instructional hours, the teacher on call shall be paid pursuant to the provisions in each district respecting Teacher on Call Pay and Benefits. A teacher on call attending a “half day” meeting shall receive a half day’s pay. If the meeting extends past a “half day,” the teacher on call shall receive a full day’s pay.
ARTICLE A.6    GRIEVANCE PROCEDURE

1. Preamble

The parties agree that this article constitutes the method and procedure for a final and conclusive settlement of any dispute (hereinafter referred to as "the grievance") respecting the interpretation, application, operation or alleged violation of this Collective Agreement, including a question as to whether a matter is arbitrable.

Steps in Grievance Procedure

2. Step One

a. The local or an employee alleging a grievance ("the grievor") shall request a meeting with the employer official directly responsible, and at such meeting they shall attempt to resolve the grievance summarily. Where the grievor is not the local, the grievor shall be accompanied at this meeting by a representative appointed by the local.

b. The grievance must be raised within thirty (30) working days of the alleged violation, or within thirty (30) working days of the party becoming reasonably aware of the alleged violation.

3. Step Two

a. If the grievance is not resolved at Step One of the grievance procedure within ten (10) working days of the date of the request made for a meeting referred to in Article A.6.2.a the grievance may be referred to Step Two of the grievance procedure by letter, through the president or designate of the local to the superintendent or designate. The superintendent or designate shall forthwith meet with the president or designate of the local, and attempt to resolve the grievance.

b. The grievance shall be presented in writing giving the general nature of the grievance.

4. Step Three

a. If the grievance is not resolved within ten (10) working days of the referral to Step Two in Article A.6.3.a the local may, within a further ten (10) working days, by letter to the superintendent or official designated by the district, refer the grievance to Step Three of the grievance procedure. Two representatives of the local and two representatives of the employer shall meet within ten (10) working days and attempt to resolve the grievance.
If both parties agree and the language of the previous Local Agreement stipulates:

i. the number of representatives of each party at Step Three shall be three; and/or

ii. at least one of the employer representatives shall be a trustee.

b. If the grievance involves a Provincial Matters issue, in every case a copy of the letter shall be sent to BCPSEA and the BCTF.

5. Omitting Steps

a. Nothing in this Collective Agreement shall prevent the parties from mutually agreeing to refer a grievance to a higher step in the grievance procedure.

b. Grievances of general application may be referred by the local, BCTF, the employer or BCPSEA directly to Step Three of the grievance procedure.

6. Referral to Arbitration: Local Matters

a. If the grievance is not resolved at Step Three within ten (10) working days of the meeting referred to in Article A.6.4, the local or the employer where applicable may refer a "local matters grievance," as defined in Appendix 2 and Addenda, to arbitration within a further fifteen (15) working days.

b. The referral to arbitration shall be in writing and should note that it is a “local matters grievance.” The parties shall agree upon an arbitrator within ten (10) working days of such notice.

7. Referral to Arbitration: Provincial Matters

a. If the grievance is not resolved at Step Three within ten (10) working days of the meeting referred to in Article A.6.4, the BCTF or BCPSEA where applicable may refer a “provincial matters grievance,” as defined in Appendix 1 and Addenda, to arbitration within a further fifteen (15) working days.

b. The referral to arbitration shall be in writing and should note that it is a “provincial matters grievance.” The parties shall agree upon an arbitrator within ten (10) working days of such notice.

c. Review Meeting:

i. Either the BCTF or BCPSEA may request in writing a meeting to review the issues in a provincial matters grievance that has been referred to arbitration.
ii. Where the parties agree to hold such a meeting, it shall be held within ten (10) working days of the request, and prior to the commencement of the arbitration hearing. The scheduling of such a meeting shall not alter in any way the timelines set out in Article A.6.7.a and A.6.7.b of this article.

iii. Each party shall determine who shall attend the meeting on its behalf.

8. Arbitration (Conduct of)

a. All grievances shall be heard by a single arbitrator unless the parties mutually agree to submit a grievance to a three-person arbitration board.

b. The arbitrator shall determine the procedure in accordance with relevant legislation and shall give full opportunity to both parties to present evidence and make representations. The arbitrator shall hear and determine the difference or allegation and shall render a decision within sixty (60) days of the conclusion of the hearing.

c. All discussions and correspondence during the grievance procedure or arising from Article A.6.7.c shall be without prejudice and shall not be admissible at an arbitration hearing except for formal documents related to the grievance procedure, i.e., the grievance form, letters progressing the grievance, and grievance responses denying the grievance.

d. Authority of the Arbitrator:

i. It is the intent of both parties to this Collective Agreement that no grievance shall be defeated merely because of a technical error in processing the grievance through the grievance procedure. To this end an arbitrator shall have the power to allow all necessary amendments to the grievance and the power to waive formal procedural irregularities in the processing of a grievance in order to determine the real matter in dispute and to render a decision according to equitable principles and the justice of the case.

ii. The arbitrator shall not have jurisdiction to alter or change the provisions of the Collective Agreement or to substitute new ones.

iii. The provisions of this article do not override the provisions of the B.C. Labour Relations Code.

e. The decision of the arbitrator shall be final and binding.

f. Each party shall pay one half of the fees and expenses of the arbitrator.
9. General

a. After a grievance has been initiated, neither the employer's nor BCPSEA's representatives will enter into discussion or negotiations with respect to the grievance, with the grievor or any other member(s) of the bargaining unit without the consent of the local or the BCTF.

b. The time limits in this grievance procedure may be altered by mutual written consent of the parties.

c. If the local or the BCTF does not present a grievance to the next higher level, they shall not be deemed to have prejudiced their position on any future grievance.

d. No employee shall suffer any form of discipline, discrimination or intimidation by the employer as a result of having filed a grievance or having taken part in any proceedings under this article.

e. i. Any employee whose attendance is required at any grievance meeting pursuant to this article, shall be released without loss of pay when such meeting is held during instructional hours. If a teacher on call is required, such costs shall be borne by the employer.

ii. Any employee whose attendance is required at an arbitration hearing shall be released without loss of pay when attendance is required during instructional hours; and

iii. Unless the previous Local Agreement specifically provides otherwise, the party that requires an employee to attend an arbitration hearing shall bear the costs for any teacher on call that may be required.

ARTICLE A.7 LEAVE FOR PROVINCIAL CONTRACT NEGOTIATIONS

1. The employer shall grant a leave of absence without pay to an employee designated by the BCTF for the purpose of preparing for, participating in or conducting negotiations as a member of the provincial bargaining team of the BCTF.

2. To facilitate the administration of this clause, when leave without pay is granted, the employer shall maintain salary and benefits for the employee and the BCTF shall reimburse the employer for the salary costs.

3. Any other leaves of absence granted for provincial bargaining activities shall be granted on the basis that the salary and benefits of the employees continue and the BCTF shall reimburse the employer for the salary costs of any teacher employed to replace a teacher granted leave.

4. Any leaves of absence granted for local bargaining activities shall be granted in accordance with the Previous Local Agreement.
ARTICLE A.8 LEGISLATIVE CHANGE

1. In this article, “legislation” means any new or amended statute, regulation, Minister’s Order, or Order in Council which arises during the term of the Collective Agreement or subsequent bridging period.

2. a. Should legislation render any part of the Collective Agreement null and void, or substantially alter the operation or effect of any of its provisions, the remainder of the provisions of the Collective Agreement shall remain in full force and effect.

    b. In that event, the parties shall meet forthwith to negotiate in good faith modifications to the Collective Agreement which shall achieve, to the full extent legally possible, its original intent.

3. If, within thirty (30) days of either party’s request for such meeting, the parties cannot agree on such modifications, or cannot agree that the Collective Agreement has been affected by legislation, either party may refer the matter(s) in dispute to arbitration pursuant to Article A.6 (Grievance Procedure).

c. Positions shall normally be filled within 10 school days of the end of the posting period.

d. If a posted position in which there is no incumbent requires filling during the school year and the successful applicant is currently employed in another full-time assignment or in a part-time assignment which may conflict with the scheduled assignment of the position to be filled, the successful applicant shall fill the position at a time mutually agreeable to the teacher and the school based administrative officers, using consideration of the continuity of programs for students as a guideline. 4. Secondments

If there are no volunteers, the teacher or teachers with the least district seniority will be designated as surplus to that school.

c. Where, because of declining enrolment, a transfer is necessary during the school term, the Board shall first ask for volunteers to transfer from the school with surplus teachers. If no one volunteers, then the teacher with the proper qualifications for the vacant position and the least district seniority in that school, shall be transferred. If the transfer of this teacher would result in the elimination of school programs, then this person could be exempted from the transfer process.

d. Where the provisions for seniority-based transfers in Clause b and c would result in a full-time teacher’s assignment being shared between two schools, and where the transfer of a part-time teacher (notwithstanding his/her seniority) would prevent this splitting of a full-time assignment, then that part-time teacher may be the one transferred provided:

i. the receiving school gives regard to the teacher’s previous experience and qualifications when assigning duties;

ii. the receiving school makes every effort to match the teacher’s previous schedule of assignments and workdays (unless otherwise agreed to by the teacher).

e. The Superintendent of Schools or designate intending to recommend the transfer of a teacher for reasons other than stated in Sections b or c, shall meet with the teacher, who may be accompanied by a representative of the Association, at least seven (7) days prior to the recommendation being placed before the Board or the effective date of transfer whichever is sooner, to explain the nature of the transfer and the reasons for it. The teacher shall have the opportunity to consider the matter, advise the Board official of any retraining requirements, in-service release time, or support, which she/he believes necessary and reply before the transfer is effected (within 72 hours of the meeting). The Sooke Teachers’ Association shall be notified prior to effecting such transfers.

f. Where reassignment is necessary near the beginning of, or during the school year, district staff will approve release time of up to three (3) days from regular duties to assist the teacher in making the move.
g. The Board may transfer a teacher to an assignment involving a significantly different grade level or significantly different subject area, if:

i. there remain no vacancies in the teacher’s existing grade level, or subject area, for which she/he has the necessary qualifications;

ii. the Board provides adequate support and in-service release time to ensure professional retraining commensurate with the degree of change of the assignment.

h. Teachers reassigned as a result of a Board-initiated transfer shall not be subject to another such transfer for a period of three years.

i. A teacher who is transferred for reasons of projected enrolment decline, position reduction, or other such factors, shall have the opportunity of returning forthwith to the position previously held in the event that the projected factors do not actually materialize by September 30.

j. A board-initiated transfer may be grieved.

8. Transfers

a. Teacher-initiated transfers are effected through the posting process except as provided in b, below.

b. Teachers who hold comparable positions may mutually agree to exchange their positions for a definite or indefinite period of time, provided that the exchange does not constitute an increase or decrease in appointment, and provided that the administrative officers also agree.

The committee may, after hearing the principal, teacher and any other teacher directly affected by any proposed alternative assignment, recommend to the principal that the teacher’s assignment be changed.

4. It shall not be normal practice for the Board to alter a teacher’s assignment within a school; however, declining grade and/or course enrolment, and/or budgetary considerations and/or educational considerations may necessitate such an alteration. The Board or its designate(s) will consult with a teacher prior to effecting an alteration in that teacher’s assignment.

5. Special consideration in assignment may be given to a teacher returning from medical leave of absence with reference to the reasons for the leave and the teacher’s state of health upon return, and may involve a return to part-time teaching pursuant to Article G.11.1

The classroom visits for the purpose of preparing the teacher evaluation report can occur at any time during the school year, recognizing that visits in September and June should occur only in limited situations. A first less than satisfactory report will not be filed after May 31 of a school year.

7. The formal evaluation report shall be prepared only by an Administrative Officer where the teacher is employed, the District Superintendent, Assistant Superintendent, and/or Directors of Instruction and shall be prepared and written based on independently collected data.

8. The evaluation process shall include:
   a. A series of formal observations each followed by an observation conference.
   b. A post evaluation conference for discussion and review of the draft report.
   c. The right of the teacher to submit to the evaluator a written commentary on the final report which shall be filed with all copies of the report.
   d. The final report shall be filed in the teacher’s personnel file at the school district office. No other copies of the report shall be filed except as provided in the School Act and Regulations.

9. Where appropriate and in the case of a less than satisfactory report, a plan for improving instruction shall be developed with the teacher. Such a plan shall be made available to the teacher. The implementation of such a plan shall be the joint responsibility of the teacher and the Board. A reasonable period of time shall elapse before a subsequent evaluation is initiated.

7. Personnel files shall be kept in a confidential manner.

ARTICLE E.16 SCHOOL ACT APPEALS

1. The Association and the Board recognize that from time to time, disagreements may arise between teachers and parents/guardians and/or students. The Association and the Board also recognize that in most cases these disagreements are best handled at the teacher/parent/guardian and/or teacher/student level and every effort will be made to resolve matters at this level.

2. The employee shall be notified as soon as operationally possible in the event that a decision of an employee is being appealed by a student and/or parent/guardian under the School Act (Section 11) and/or Board Policy (C-350).

Re: Early Incentive Payment

Should the parties reach a tentative collective agreement by June 30, 2006 which is subsequently ratified by the parties, each bargaining unit member who is an employee of the school district on June 30, 2006 shall be eligible to receive a one-time lump sum incentive payment.

The incentive payment shall be equal to a maximum of $3,700 dollars for each full-time equivalent employee and shall be pro-rated for employees working less than full-time. For the purpose of determining the amount of the incentive payment, a full-time equivalent employee (continuing or temporary) is an employee who worked on a full-time basis (183 days) during the period of September 1, 2005 - June 30, 2006. For the purpose of determining the amount of the incentive payment for teachers on call, a full-time equivalent teacher on call is a teacher on call who worked on a full-time basis (177 days) during the period of September 1, 2005 - June 30, 2006. The incentive payment for employees who worked less than full-time over this period of time shall be pro-rated based on the actual time worked as a percentage of full-time. No employee shall be eligible for a payment in excess of $3,700. Time spent on the following leaves shall not be deducted for the purposes of this calculation:

- All leaves with pay
- Maternity or parental leave
- Days on approved WCB and Salary Indemnity Plan that commenced between July 1, 2005 and June 30, 2006.

The one-time lump sum incentive payment is subject to the legal and statutory deductions. This payment is not included as pensionable earnings nor is it included for calculations of benefits.

The incentive payment shall be paid to employees upon receipt of funding from the government and as soon as practicable for the school district to calculate the individual payment amounts and distribute the funds.

In addition to the above, each full-time equivalent employee shall receive a one-time payment of $300 in recognition of past purchases of professional resources, to be paid in the same manner as above.

Re: One Time Payment to Teacher Inflation Adjustment Account

1. The parties to this LOU have agreed that Government will make a one-time payment to the Inflation Adjustment Account of the Teacher Pension Plan in the following amount:

   July 15, 2006    $20,000,000

2. The contribution represents an extraordinary (non-recourse) payment, in addition to those which would normally be made to the Teacher Pension Plan/Inflation Adjustment Account, and in no way replace or amend the obligations of any person to make contributions to the Teacher Pension Plan/Inflation Adjustment Account.

3. The parties will work together with the Teachers’ Pension Plan Board of Trustees to facilitate the payment provided for under this LOU.

4. The parties agree that this extraordinary payment has no recourse or connection, nor does it amend the joint trustee relationship, as the payment is a non-recourse payment to the Inflation Adjustment Account only.

Re: Updating the Provincial Collective Agreement Mid-Contract Modification Process

1. Further to our discussions of June 25, 2006, we write to confirm that we have jointly agreed that effective July 1, 2007 or at an earlier time agreed to by the local and the employer, and continuing until 3 months prior to the expiry of this collective agreement, both parties will amend their respective mid-contract modification processes. Specifically, we have agreed that neither BCPSEA or the BCTF will reject any mid-contract modifications proposed by the local parties which achieve one or more of the following purposes (and no other purposes):

   a. The elimination of out-of-date references to terms, dates or other matters;

   b. The updating of collective agreement language that is either no longer relevant or functional; or

   c. The resolution of internal inconsistencies and incongruities within individual agreements.

2. As discussed, nothing in this letter permits the local parties to make amendments to common provincial language.

3. Finally, we confirm that any disputes regarding the rejection by one of the provincial parties of a proposed change on the basis of non-compliance with paragraph 1 parts a, b & c above shall be referred to Irene Holden for facilitation and resolution.

Re: Fiscal Dividend

Having agreed to a collective agreement term of July 1, 2006 to June 30, 2011, a Fiscal Dividend Bonus may be paid from a one-time fund (the “Fund”) generated out of monies, in excess of $150 million, surplus to the BC government, as defined in the Province’s audited financial statements, for the fiscal year 2009-10.

a. If fiscal dividend funds are determined to be available, upon receipt of funding from the BC government, a fiscal dividend will be paid to employees as soon as practicable for the school district to calculate individual payment amounts and distribute the funds.

The Fund will be determined as follows:

i. The calculations will be based on the surplus, as calculated before deduction of any expense associated with the Fiscal Dividend Bonus, achieved in fiscal 2009-10, as published in the audited financial statements for that fiscal year, provided that the surplus is in excess of $150 million.

ii. Only final surplus monies in excess of $150 million will be part of the Fund, and the total quantum of the Fund for the entire public sector (including all categories of employees) will not exceed $300 million.

iii. The quantum of the Fund will be constrained by the proportion of the public sector that is eligible to participate in the Fiscal Dividend Bonus i.e., 100% of the Fund will be available if 100% of all categories of employees in the public sector under the purview of the Public Sector Employers’ Council participate, but if a lesser number participate, a proportionately lesser amount of the Fund will be available.

iv. Additionally, the Fund will be proportioned among all groups of public sector employees by ratio of group population to total population participating.

b. The manner of allocation of the Fund monies to employees shall be subject to negotiations between the BCTF and BCPSEA.

Re: Article C.2. – Porting of Seniority – Separate Seniority Lists

This agreement was necessitated by the fact that some districts have a separate seniority list for adult education teachers, i.e., 1 seniority list for K – 12 and a second separate seniority list for adult education seniority. Consistent with Irene Holden’s previous awards on porting, implementation of this agreement is meant to be on a prospective basis and is not intended to undo any previous staffing decisions with the understanding that anomalies could be discussed and considered at labour management. There are 4 possible situations and applications:

1. Teacher in a district with 1 list ports to a district with 1 list (1 to 1)
   • Both K – 12 and adult education seniority are contained on a single list in both districts.
   • Normal rules of porting apply.
   • No more than 1 year of seniority can be credited and ported for any single school year.
   • Maximum of 10 years can be ported.

2. Teacher in a district with 2 separate lists ports to a district with 2 separate lists (2 to 2)
   • Both K – 12 and adult education seniority are contained on 2 separate lists in both districts.
   • Both lists remain separate when porting.
   • Up to 10 years of K – 12 and up to 10 years of adult education can be ported to the corresponding lists.
   • Although the seniority is ported from both areas, the seniority is only activated and can be used in the area in which the teacher attained the continuing appointment. The seniority remains dormant and cannot be used in the other area unless/until the employee subsequently attains a continuing appointment in that area.
   • For example, teacher A in District A currently has 8 years of K – 12 seniority and 6 years of adult education seniority. Teacher A secures a K – 12 continuing appointment in District B. Teacher A can port 8 years of K – 12 seniority and 6 years of adult education seniority to District B. However, only the 8 years of K – 12 seniority will be activated while the 6 years of adult education seniority will remain dormant. Should teacher A achieve a continuing appointment in adult
education in District B in the future, the 6 years of adult education seniority shall be activated at that time.

3. Teacher in a district with 2 separate lists ports to a district with 1 seniority list (2 to 1)
   • A combined total of up to 10 years of seniority can be ported.
   • No more than 1 year of seniority can be credited for any single school year.
   • Teacher in a district with 1 single seniority list ports to a district with 2 separate seniority lists (1 to 2)
   • Up to 10 years of seniority could be ported to the seniority list to which the continuing appointment was received.
   • No seniority could be ported to the other seniority list.
   • For example, teacher A in District A currently has 14 years of seniority and attains a K – 12 position in District B which has 2 separate seniority lists. Teacher A could port 10 years of seniority to the K – 12 seniority list in District B and 0 seniority to the adult education seniority list in District B.

The porting of seniority only applies to seniority accrued within the provincial BCTF bargaining unit. The porting of seniority is not applicable to adult education seniority accrued in a separate bargaining unit or in a separate BCTF bargaining unit.

Re: Article C.2 – Porting of Seniority & Article G.1 Portability of Sick Leave –
Simultaneously Holding Part-Time Appointments in Two Different Districts

The following letter of understanding is meant to clarify the application of Article C.2.2 and G.1
of the provincial collective agreement with respect to the situation where a teacher
simultaneously holds part-time continuing appointments in two (2) separate school districts, i.e.,
currently holds a part-time continuing appointment in one (1) district and then subsequently
obtains a second part-time continuing appointment in a second district. Should this specific
situation occur, the following application of Article C.2.2 and G.1 shall apply:

1. The ability to port sick leave and seniority cannot occur until the employee either
resigns/terminates his/her employment from the porting district or receives a full leave of
absence from the porting district.

2. The requirement for the teacher to initiate the sick leave verification process (90 days
from the initial date of hire) and the seniority verification process (within 90 days of a
teacher’s appointment to a continuing contract) and forward the necessary verification
forms to the previous school district shall be held in abeyance pending either the date of
the employee’s resignation/termination of employment from the porting district or the
employee receiving a full leave of absence from the porting district.

3. Should a teacher port seniority under this Letter of Understanding, there will be a period
of time when the employee will be accruing seniority in both districts. For this period of
time (the period of time that the teacher simultaneously holds part-time continuing
appointments in both districts up until the time the teacher ports), for the purpose of
porting, the teacher will be limited to a maximum of 1 years seniority for each year.

4. Should a teacher receive a full-time leave and port seniority and/or sick leave under this
letter of understanding, the rules and application described in the Irene Holden award of
June 7, 2007 concerning porting while on full-time leave shall then apply.

5. Consistent with Irene Holden’s previous awards on porting, implementation of this
agreement is meant to be on a prospective basis and is not intended to undo any previous
staffing decision with the understanding that anomalies could be discussed and
considered at labour management.
The following examples are intended to provide further clarification:

Example 1

Part-time employee in district A has 5 years of seniority. On September 1, 2007 she also obtains a part-time assignment in district B. On June 30, 2008, the employee resigns from district A. The employee will have 90 days from June 30, 2008 to initiate the seniority and/or sick leave verification processes and forward the necessary verification forms to the previous school district for the porting of seniority and/or sick leave. No seniority and/or sick leave can be ported to district B until the employee has resigned or terminated their employment in district A. Once ported, the teacher’s seniority in district B cannot exceed a total of 1 year for the September 1, 2007 – June 30, 2008 school year.

Example 2

Part-time employee in district A has 5 years of seniority. On September 1, 2007 she also obtains a part-time assignment in district B. On September 1, 2008, the employee receives a leave of absence from district A for her full assignment in district A. The employee will have 90 days from September 1, 2008 to initiate the seniority and/or sick leave verification process and forward the necessary verification forms to the previous school district for the porting of seniority. The Irene Holden award dated June 7, 2007 will then apply. No seniority can be ported to district B until the employee’s leave of absence is effective. Once ported, the teacher’s seniority in district B cannot exceed a total of 1 year for the September 1, 2007 – June 30, 2008 school year.

The porting of seniority and sick leave only applies to seniority and sick leave accrued with the provincial BCTF bargaining unit. The porting of seniority and sick leave is not applicable to seniority accrued in a separate bargaining unit or in a separate BCTF bargaining unit.

LOCAL LETTER OF UNDERSTANDING NO. 2: EARLY RETIREMENT INCENTIVE

BETWEEN

THE SOOKE TEACHERS’ ASSOCIATION

AND

THE BOARD OF SCHOOL TRUSTEES

SCHOOL DISTRICT NO. 62 (SOOKE)

RE: EARLY RETIREMENT INCENTIVE

The Board values the service of its long-term teaching staff. In recognition of long service, the Board will make available an early retirement provision under the following guidelines: (See the note at the end of this letter for the application of this letter after April 27, 2004)

The Board may pay a retiring allowance to teachers and Administrative Officers who retire before reaching age 65, subject to the following conditions:

The teacher or Administrative Officer must:

1. be 55 years of age or over;
2. have a minimum of ten continuous years service with the Sooke School Board;
3. be on the maximum step of the salary scale;
4. retire from teaching/administration in School District No. 62 (Sooke)

Special cases not meeting all of the above requirements may be considered on their merits. The allowance will be based on the appropriate calculations as listed below. It will be paid as of June 30 (or, where the Board agrees, December 31) which will be the official date of retirement. The early retirement allowance will be based, for the Sooke Teachers’ Association members, on the total scale salary earned (without any allowances) during the ten teaching months preceding the retirement date. For Administrative Officers, the early retirement allowance will be based on the total annual salary earned during the twelve months preceding the retirement date.

MID-CONTRACT MODIFICATION RE: ARTICLES C.11 & E.11.3.e

BETWEEN:

The British Columbia Public School Employers’ Association
(hereinafter referred to as “BCPSEA”)

AND:

The Board of Education of School District No.62 (Sooke)
(hereinafter referred to as the “District”)

AND:

The British Columbia Teachers’ Federation
(hereinafter referred to as the “BCTF”)

AND:

Sooke Teachers’ Association
(hereinafter referred to as the “STA”)

The parties hereby agree to the following amendments to the 2006-2011 Collective Agreement:

1. Amend Article C.11.4 as follows:

Delete:

4. Re-employment of Teachers who have had term specific appointments:

A teacher who has had a term specific appointment (or appointments) of not less than 8 months in the previous 10 school months, and who has not received a less than satisfactory report, shall be entitled to further term specific appointments, if available in the subsequent year (as per Article E.11.)

Replace with:

See Article E.11
2. Amend Article C.11.5 as follows:

Delete:

5. Conversion of teachers who have had term-specific appointments to continuing contracts:

   A teacher who has had term-specific appointments of not less than 16 months in the previous 20 school months, and who has not received a less than satisfactory report, shall be entitled to placement on a continuing contract as per the provisions of Article E.11.

Replace with:

5. Conversion to Continuing: All teachers who have accumulated 13 complete months or more of aggregate service in the previous 20 school months with the Board on term-specific contracts, and who has not received a less than satisfactory report, shall be entitled to continuing positions as per the provisions of Article E.11.

A ‘complete month’ for the purpose of this provision will be defined as a month falling within the dates of the 1st working day of the month following the appointment date and the last working day of the final month of the contract. For example, if a teacher is hired on October 4th and works until March 4th, the teacher will get credit for November, December, January and February only because those are the only ‘complete’ months of service on record. There will be no counting of individual days to add up to a month. A working day for the purpose of this provision is defined to include non-instructional days, statutory holidays and vacation periods.

3. Amend Article C.11.6 as follows:

   b. Teachers on continuing part-time contract who requested and received an additional term-specific appointment and who have the necessary qualifications for the positions available.

   c. All teachers who have accumulated more than 16 consecutive months of service with the Board on term-specific appointments.
4. **Amend Article E.11.3.e as follows:**

   e. **The Board shall fill vacancies for positions in the following priority:**

   i. teachers returning from leave of absence, including appointment reduction leave; teachers not utilized in their present schools, subject to rights of review of that transfer; and teachers transferred on the initiative of the Board in the previous three years;

   ii. teachers who indicated a desire for a transfer by March 1 and teachers on the recall list (whether full-time or part-time); **all other continuing teachers and teachers on the recall list**;

   iii. part-time teachers seeking an increase in their assignment, and teachers who applied for a transfer between March 1 and May 15 (whether full-time or part-time);

   iv. teachers who have had term specific appointments of not less than 16 months in the previous 20 school months, and who have not received a less than satisfactory report, on a continuing contract;

   iii. teachers who have had a term specific appointment (or appointments) of not less than 8 months in the previous 10 school months, and who have not received a less than satisfactory report;

   iv. Teachers-on-call. Teachers-on-call who have taught in the District seventy (70) days or more in the previous 10 teaching months immediately preceding application shall, if qualified, be given an interview.

   v. other applicants.

This Mid-Contract Modification shall be effective May 1st, 2010.

This Mid-Contract Modification shall be appended to the 2006-2011 Working Document. The amendments to Articles C.11.4, C.11.5, C.11.6 and E.11.3.e shall be incorporated into the body of the collective agreement for the 2011 Working Document.
