

**School District #62 (Sooke)**

<b>NAMING OF SCHOOL TEAMS, SELECTION OF LOGOS &amp; MASCOTS</b>	No.: C-435
	Effective: May 22/01 Revised:

**SCHOOL BOARD POLICY**

The Board of Education believes that the naming of school teams and selection of logos should be undertaken following consultation with affected constituents. Consequently, schools are expected to identify processes that include parents, students, teachers, administrators and the broader community, when appropriate, in determining names, logos and mascots.

Final approval of a team name, logo or mascot rests with the principal of the school.
