I can...

- stay focused in discussions, and help to build and extend understanding.
- actively listen, make connections, and ask questions.
- convey information effectively to suit my purpose and audience.
I can...

- work with others effectively to accomplish a common goal.
- be an active listener and encourage contributions of others.
- reflect on and adjust our plan as we work towards our collective success.
I can...

- generate new ideas through explorations and interactions.
- accept ambiguity, setbacks, failure, and persevere to advance the development of my ideas.
- evaluate my ideas and determine which ones will have the greatest impact.

CREATIVE THINKING
I can...

- question and investigate situations and ideas.
- consider perspectives and implications.
- analyze, evaluate, and synthesize ideas.
- give, receive, and act on feedback.
I understand...

- my identity is shaped by my relationships and cultures.
- my values are influenced by my life experiences and my choices.
- my attributes, strengths, and characteristics are important assets in my life.
I can...

- set priorities and use strategies to implement and monitor progress.
- advocate for myself and my ideas.
- take responsibility for my choices and actions.
- make decisions and take steps to support my well-being, including a healthy and balanced lifestyle.
I can...

- take action to make positive change for my community and the environment.
- resolve problems considering different perspectives.
- value diversity and advocate for human rights.
- develop diverse and intergenerational relationships.

SOCIAL AWARENESS AND RESPONSIBILITY
