

MINUTES November 20, 2012 David Cameron Elementary

Chair: Stephanie Longstaff, SPEAC President Minutes: Michelle Winsor, SPEAC Secretary

	Motions	Action
1. Meeting Called to order at 7:04pm		
Let the record show that there is quorum present.		
2. Presentation:		
• Dana Waite-Children's Publication-handed out a printed copy of 'Paper Mache'-this newspaper is filled entirely with student articles and artwork-all submissions get sent to the SBO through the school mail –issues are available on the website- Dana is available to speak to schools-schools are in charge of		
how it is distributed to students	Carried	
3. Approval of the Agenda	Carried	
Additions: nothing (Hans Helgensen/Sangster)	Constant	
4. Approval of Month MinutesCorrections: gaming totals to general account balance	Carried	
(Poirier/Happy Valley) 5. Business Arising/Old Business		
a. Agriculture in the Classroom- a program to involve farming in schools (growing veggies and such)- grant available to schools to purchase items that will help in serving healthy foods -will be putting it to Decembers meeting		
6. Delegate Reports:		
 Superintendent – Jim Cambridge Last week, the Minister of Education announced an antibully strategy –"ERASE Strategy"-this is a way to report bullying if children are not comfortable speaking to an adult-the site breaks down all of the information and will trigger an alert to the province and Safe Schools team-this webpage also contains resource materials for parents Budget is fine so far-still waiting for some monies LIFT Funding- Province gave money so they could hold meetings and find where support was needed-the process has been completed and decided that EA support was needed for schools-this gave EA extra time to their schedules 		

• Bill 33 has been replaced with Bill 22-this Bill is dealing	
with class sizes-teachers were putting into positions where	
they would have to decide the importance of their students	
levels of learning-schools worked hard to make sure no	
class was above 30 students per class-classes would have	
to have a minimum enrollment to keep running	
• EA Support in Schools-the district does have more EA	
support in our schools than the district ever has, but the	
concern is some problematic behavior for students	
between ages 5-7-District is still putting EA's into	
positions	
• New Schools-Request for Qualifications is going out	
tomorrow-hope to have it finished by Christmas- in the	
end, there will be 3 firms that will pitch their designs for	
the schools-there will be a community meeting by the end	
of January	
• Peagravel Maintenance-district has researched what is	
needed for playground coverings and there is a schedule in	
place to replace playground covering	
Question-how will the dates of the community meetings be	
publicized – Answer -there has been a failure in that area, but	
district will make sure the next ones will be advertised	
properly	
Question- what will the magic number be for class size next	
year as children have been affected by class size cap-Answer-	
many things are involved in making that decision-there are	
other options for children who may miss learning from this	
problem	
Question-Bill 33 changed the amount of special needs	
children allowed into one class, but has the district put a cap	
amount on how many special needs students allowed in one	
class- Answer - if there are many students with needs in one	
grade level, then they will be split between available classes, but teaching and EA support will also be a part of the equation	
Question-at the parent level, how can we get the support that	
teachers need- Answer -contact school and if need be have it	
escalated to District level	
Question-is there a way to grade students that have not	
participated at a pre-school environment to know if they are	
ready for kindergarten- Answer- there are no qualifications	
necessary for children going into Kindergarten	
interstant for enteren going into mindergaten	

9. Pres	sident's Report		
a.	BC Farm to School- Brenda will be attending December		
	meeting		
	New Executive Member -2 nd VP position filled by Dory Thuot
