Navigating tips

If you need to move back, follow the breadcrumb trail instead of using the back button.

For example, in the image above, I would click on 'Media Search' if I wanted to return to the main search area.

Extending an item

If your due date is coming close and you'd like to keep your item longer, you can login to your account to see if it is available to extend.

To do this first login. Then click on the "My Info" top tab.

Here it will list all of your items with an “extend” button next to each one.

Due Date	Title
14/06/2019	 Coast Salish Weave Collection Swan Drum (Copy: T 6213520)
Shipped / Picked Up	
25/04/2019	

Click on this button and it will take you to the same calendar page as when you were first booking your item. If the item is available for extension you may click when you would like to extend it until (no longer than 28 more days) followed by the save button at the top. If the calendar shows red dates it has been reserved by someone else and you will have to send the item back.
