WEBSITE: WWW.SD62.BC.CA

Hello families,

Thank you for your patience with us as we navigate a new way to provide service to you and your children.

We appreciate that there is a lot of communication right now from your schools, teachers and the district. We are trying not to inundate you with messaging but felt we needed to connect with you directly on the two following items.

### **Food Service**

One of the government's mandates is to focus on food security for families and students struggling most with our current reality. We have been working hard with community partners to arrange food supply and want to make sure we are doing all we can to get food to those of you who need it.

If you or a family you know could benefit from meal service, we encourage you to connect with us.

All communication will be confidential. Please email us at [info@SD62.bc.ca](mailto:info@SD62.bc.ca) and staff will get back to you to determine your need and figure out how we can best serve you.

### **Essential Service Workers**

We are providing supervision for children of essential service workers (as defined by the Ministry of Education) and are now looking to expand that service to individual families that require extended hours of care.

At this time, we are asking families that have not reached out but do need care and fall within the definition of Essential Service Worker, to complete the survey found here so that we can respond to your needs.

For those families that are currently accessing care but would benefit from extended care, we ask that you connect with the Principal on site at the school your children are currently attending.

If you have questions, please send them to [Info@sd62.bc.ca](mailto:Info@sd62.bc.ca) and we will respond as soon as possible. Thank you again for supporting us as we all work toward providing the best service we can to families and students
