Dear Owner/Occupant

Subject: Multi-Use Path Construction – Atkins Ave and Westwind Drive

In consultation with School District 62, the City of Langford will be constructing a multi-use path to provide a protected alternative accessible pedestrian route to Savory Elementary School.

The project includes:

- Installation of a concrete sidewalk on Atkins Avenue, between the existing sidewalk and Westwind Drive; and
- Construction of a paved multi-use path on Westwind Drive, extending from Atkins Avenue to the E&N Trailhead. The multi-use path will be separated from vehicle traffic by precast concrete curbs.

Construction is scheduled to begin shortly, with completion anticipated by April 1, 2026. A map of the new multi-use trail connecting your neighbourhood to Savory School is shown on the reverse side of this letter.

During construction, certified traffic control personnel will be on site to direct vehicles and pedestrians as required. Temporary traffic delays may occur. Access to homes and driveways will be maintained at all times, except for brief interruptions as necessary to complete specific works.

We appreciate your patience and cooperation as we complete these improvements to enhance pedestrian safety and active transportation in the area.

If you have any questions or concerns, please contact me at 250-478-7882 x 4612 or by email at pleross@langford.ca.

Sincerely,

Phillip Le Ross, ASCT
Senior Engineering Technologist
City of Langford
