K-3: Window between 11 am – 1 pm. (1 hour every Sunday);

Gr. 4-6: Window between 12-3 pm. (2 hours every Sunday); and

Gr. 7-12: - Window between 1-8 pm. (4-6 hours every Sunday).

Lyric sheets will be sent via email, and hard copies will also be available at rehearsals to borrow.

Rehearsal videos and music tracks and lyric sites will be sent via email and/or e-transfer and posted on PACE Facebook site.

Christmas Show Performances!

- **Saturday, December 5 @ 7 pm**
- **Sunday, December 6 @ 2 pm**
- **Friday, December 11 @ 7 pm**
- **Saturday, December 12 @ 2pm and @ 7 pm**
- **Sunday, December 13 @ 2 pm**

Note: K-3 students do every second show.

They are divided into 2 casts. (K & gr. 3)_(Gr. 1&2)

The PACE Performing Arts Academy is open to students (K-12) who possess a passion and enthusiasm for performing, and who are willing to work on their skill development in Acting, Singing and Dancing. No prior experience is necessary, and students are not required to audition. We have students in the Academy who are professional actors, and we have students who are stepping on stage for the very first time. All are equally welcome.

Most of our students participate year after year, and create memories, and build friendships that will last a lifetime. The K-12 students work together collaboratively, and we purposely include multi-grade casting for some songs. Older students are expected to be role models for, and mentors for our younger students. PACE welcomes parent and grandparent volunteers, and there is always an open invitation to get involved. It is truly a family atmosphere where all are welcome.

Our Guiding Principles:

- One size does not fill all – in shoes or in the performing arts.
- K-12 students come in all shapes and sizes and with a full range of learning styles and confidence and experience levels. They all get there, but:
 - o Some are kinesthetic learners and can see it and just do it.
 - o Some are audio learners and need to hear what to do over and over.
 - o Some are visual learners and need to watch someone in front of them and copy.

They will ALL look amazing when the show is ready. Do not stress. From over 40 years of experience, we can guarantee that they will all end up on stage performing at a higher level than they ever hoped for. Do not stress.

We have a lot of PACE students who have been in the program for years and are confident and very accomplished performers. Do not compare if you are new. They were new once too. Never be afraid to ask or to receive help. We take pride in that our PACE students are quick to help others. We also have senior students who will always go the extra mile to give a helping hand.

All students (K-12) perform in a Musical Theatre Revue each Semester.

1. Christmas Show
2. Spring Show

Gr. 7-12 students can also participate in “Community Connections”

Gr. 7-12 Students who are particularly serious about performing can take advantage of the many Connections opportunities that are presented to PACE students during the year.

- Workshops with Guest speakers, Choreographers and Vocal directors from the professional Theatre and the professional Film/Television communities
- Working as Background Actors in Film/Television productions shooting in Victoria
- Community Performances
 - Dancers4Kids at UVic
 - Island Fan-Com
 - City of Langford events
 - Parliament Buildings on Canada Day, etc.

Health and Safety:

We take the health and welfare of our students very seriously. Please err on the side of caution if anyone in your house is suspiciously unwell and stay home. No one will be excluded for doing their best to keep us all healthy and safe.

- Please bring a water bottle and stay hydrated.
- Healthy snacks only please.
- Students (K-12) must not leave the theatre without advising one of the production team members.
- K-6 students must have a parent/guardian in the theatre or at the theatre door for pick up. Students will not be allowed to leave unless we can see the adult picking them up.
- NO ONE – any age – is allowed to walk home alone in the dark or wait out on the street for a parent/guardian. They must stay in the theatre or at the theatre entrance.
- Adults will always remain in the theatre and/or outside at the theatre entrance until every student has been picked up.

What to Wear:

- Dress for rehearsals: Clothing that you can move in – but not too baggy or bulky.
- Jazz shoes or Running shoes.
- Hair tied back.

Parents/Guardians in the Theatre During Rehearsals:

If you need to stay during rehearsal, please sit in the very back area and blend into the background. Know that you will be considered a potential temporary volunteer though – do not be surprised if you are asked to sort lyric sheets or fold costumes.....

- Otherwise, parents/guardians will be invited into the theatre for the last 10 minutes of each rehearsal-group to watch and to get any notes or notices.
- We are always in the need of extra hands – so if you would rather spend time together at the theatre with us than go to Costco, please let us know. There are always costumes to fold and hang and props to sort, and things to be glued, glittered, and organized. No experience required. No long-term commitment required – just a “I am for an hour – what can I do to help?”

Have a coffee, Have a Chat!

The coffee is always on in the lobby and our PACE Producers always bring cookies! If you have questions, they will have the answers or can quickly find the person who can help you.

Stop by during, before or after rehearsal.

See you at the Theatre!
