

École John Stubbs Middle 2025-26 School Plan

School Context: *École John Stubbs is a kindergarten through grade eight French Immersion school. With an enrollment of approximately 850 students spanning the nine grades, we are privileged to watch the students grow and learn over many years. The school is situated on the traditional territories of the Kosapsum Nation and on land currently owned by the Canadian Department of National Defence. The school is located adjacent to Royal Roads with views of the forest and ocean. We are grateful to learn and play on these beautiful lands.*
