

Public Notice - Board of Education Online Public Meeting

A public meeting of the Board of Education for School District 62 (Sooke) will be held on February 22, 2022 at 7:00 pm.

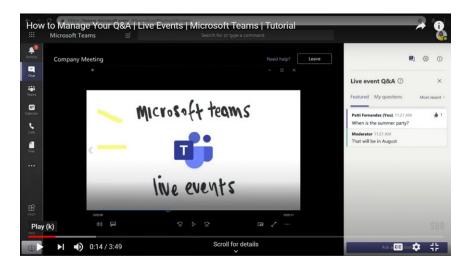

Requirements that limit the size of public gatherings due to the COVID-19 pandemic mean this meeting will proceed differently than they have in the past. The meeting will be conducted online via MS teams. We encourage members of the public to join the LIVE Event.

To participate in the meeting please click on this link: PublicBoardMeeting-February22-2022

To guide you, the following is information on how to join a live event in MS Teams.

https://support.office.com/en-us/article/attend-a-live-event-in-teams-a1c7b989-ebb1-4479-b750-c86c9bc98d84

- Anyone who has the link can attend the online meeting without logging in to MS Teams.
- Members of the public have the opportunity to ask questions related to agenda items discussed at the meeting:
 - o Select the **Q&A** [2] function on the right side of the screen.
 - When asking a question using the Q&A function, please identify yourself. Anonymous questions will not be responded to.
 - A reminder for Stakeholder groups to use the **Q&A** function.
 - Members of the media can direct their questions to the Communications Manager at School District 62 for response following the meeting.

If you have questions regarding the meeting and how to access it that aren't answered in the link above please email info@sd62.bc.ca.

 authorize spending up to \$1,700 of School District 62 BCSTA Special Funds to engage
 "Stand up for Mental Health" as a guest speaker of the BCSTA VISTA 2022 Spring
 Conference.

11. ADMINISTRATION

11.1 Superintendent's Report – Scott Stinson (page 145)

12. PERSONNEL

13. UPCOMING EVENTS

14. FUTURE ITEMS

15. QUESTION PERIOD

Members of the public have the opportunity to ask questions related to agenda items discussed at tonight's meeting using the QA function in MS Teams. Individuals must identify themselves and ask questions directed to the Chair. Members of the media can direct their questions to the Manager, Communications for response following the meeting.

16. ADJOURNMENT

MINUTES BOARD OF EDUCATION PUBLIC MEETING LIVE MS Teams Event January 25, 2022 – 7:00 p.m.

TRUSTEES: Ravi Parmar, Board Chair Bob Beckett, Vice-Chair

Bob Phillips Margot Swinburnson
Dianna Seaton Wendy Hobbs

STAFF: Scott Stinson, Superintendent

Harold Cull, Secretary-Treasurer

Stephanie Hedley-Smith, Associate Superintendent

Paul Block, Associate Superintendent Dave Strange, Associate Superintendent

Dan Haley, Executive Director, HR

Farzaan Nusserwanji, Executive Director, IT Steve Tonnesen, Manager IT Operations Sue Grundy, Manager Executive Operations

ABSENT: Allison Watson

SECRETARY: Kristina Ross

1. CALL TO ORDER

The meeting was called to order at 7:05 p.m. by the Board Chair. Ravi Parmar acknowledged the traditional territories of the First Nations.

Disclosure to Public of Previous In Camera Minutes

At the January 25, 2022 In Camera Meeting of the Board of Education matters relating to personnel, real property, individual students, parents and/or guardians, legal opinions, respecting the liability or interest of the Board, accident claims and other matters of Board liability were discussed.

Trustees Hobbs and Seaton declared a Conflict of Interest regarding an agenda of the In Camera Meeting and did not participate in the discussion or decision.

2. AGENDA

2.1 Call for amendments and additional items

MOVED Bob Beckett/Margot Swinburnson
 That the Board of Education of School District 62 (Sooke) adopt the agenda of January 25, 2022 as presented.
 CARRIED

3. MINUTES

3.1 Call for amendments to minutes

MOVED Bob Phillips/Margot Swinburnson
 That the Board of Education of School District 62 (Sooke) adopt the minutes of the December 14, 2021 meeting as presented.
 CARRIED

4. INFORMATIONAL ITEMS AND ANNOUNCEMENTS

4.1 Board Chair Update

The Board Chair provided a statement in support of the Williams Lake First Nation, as preliminary findings found 93 potential burial sites on the grounds of the former residential school at St. Joseph's Mission. SD 62 continues to support First Nations as they pursue truth, healing and reconciliation.

The Board Chair thanked staff, students, and families for their continued patience and support following the Public Health Officer's December announcement regarding enhanced safety measures and delayed return to school in response to the Omicron variant.

5. EDUCATIONAL PRESENTATIONS

6. CORRESPONDENCE & DELEGATIONS

6.1 Correspondence

a. Letter from Judy Roper, dated January 12, 2022, RE: Vaccination in Children 5-11

12. MOVED Bob Phillips/Dianna Seaton

That the Board of Education of School District 62 (Sooke) receive the letter from Judy Roper, dated January 12, 2022, RE: Vaccination in Children 5-11. CARRIED

6.2 <u>Standing Delegations (STA, CUPE, PVP, SPEAC, CPF) – 5 minutes each</u>

STA – Rita Zeni

Rita Zeni provided the Board of Education an overview of responses it received from its membership when a recent survey was conducted on mental health, COVID response and safety measures in place at SD 62. STA has provided a copy of this report to the Superintendent, and will continue to be in communication with the Executive Team.

CUPE - Amber Leonard

Amber Leonard indicated that Trish McNabb will join the Na'tsa'maht Education Committee as a CUPE representative and Trudy Court will join the Healthy School's Healthy People Working Group. CUPE Executive indicated that they look forward to the upcoming 22/23 budget discussions and support the local bargaining process.

PVP – Kendra Laidlaw, Jane Sinclair

Kendra Laidlaw and Jane Sinclair indicated that PVP are looking forward to Spring's warmer weather, increased daylight hours and the teachings of the land. They thanked the Leadership Team, their STA and CUPE colleagues for keeping our schools as safe as possible as we navigate through uncertain times. Educational, social and emotional growth of students continues in the District with Literacy Week being held in multiple schools.

SPEAC - Melissa Da Silva

SPEAC has been in contact with PACs and parents throughout the District, all with questions related to the current safety measures, COVID exposures and absentee rates in schools. The SPEAC President referred those questions to the Superintendent, who provided the relevant information, noting that some items were out of the District's control (i.e. COVID exposure notifications, posting of circulation rates in schools). Communication between the District and its families continues to be crucial.

13. MOVED Wendy Hobbs/Margot Swinburnson

That the Board of Education of School District 62 (Sooke) send a letter to the Minister of Education and the Public Health Officer outlining the concerns our partner groups have raised during the Public Meeting on January 25, 2022 regarding the effects of COVID-19 in our schools.

CARRIED

<u>Canadian Parents for French – Billie-Jo Cavanaugh</u>

No delegation.

7. FINANCE, FACILITIES AND SERVICES

7.1 Report on the Resources Committee – Meeting held on January 12, 2022

Trustee Beckett provided the Board of Education with an overview of the Resources Committee Meeting.

14. MOVED Bob Beckett/Bob Phillips

That the Board of Education of School District 62 (Sooke) allow all three readings of the 2021/22 Amended Budget Bylaw at its meeting of February 22, 2022. CARRIED

15. MOVED Bob Beckett/Wendy Hobbs

That the Board of Education of School District 62 (Sooke) approve the proposed 22/23 budget principles, assertions and process as outlined at the January 12, 2022 Resources Committee Meeting. CARRIED

16. MOVED Bob Beckett/Bob Phillips

That the Board of Education of School District 62 (Sooke) receive the report from the Resources Committee meeting of January 12, 2022.

CARRIED

7.2 Real Property Disposal Bylaw – Harold Cull

Harold Cull provided an overview to the Board of Education on the exchange of land with the City of Langford pertaining to the McCallum Road School site.

17. MOVED Dianna Seaton/Bob Phillips

That the Board *Disposal of Real Property Bylaw No. 2022-01*, specifying the Board of Education of School District 62 (Sooke) authorize the disposal of a 0.782 ha/1.932 ac portion of its 7900 McCallum Road be given first reading. This disposal involves a land exchange of equal value with the City of Langford.

CARRIED

8. EDUCATION PROGRAM

8.1 Report on the Education Policy Committee – Meeting held on January 4, 2022

Trustee Swinburnson provided the Board of Education with an overview of the Education Policy Committee Meeting.

18. MOVED Margot Swinburnson/Bob Phillips

That the Board of Education of School District 62 (Sooke) approve BAA course Introduction to Eco Literacy 10.

CARRIED

19. MOVED Margot Swinburnson/Bob Phillips

That the Board of Education of School District 62 (Sooke) approve BAA course Eco Literacy 11. CARRIED

20. MOVED Margot Swinburnson/Bob Phillips

That the Board of Education of School District 62 (Sooke) approve the SD 62 Climbing Academy at Belmont Secondary School to begin in September 2022.

CARRIED

21. MOVED Margot Swinburnson/Bob Phillips

That the Board of Education of School District 62 (Sooke) receive the report from the Education Policy Committee meeting of January 4, 2022. CARRIED

8.2 Adoption of Policy and Regulations – Scott Stinson

Scott Stinson provided an overview of the Policy and Regulations up for adoption.

22. MOVED Bob Phillips/Margot Swinburnson

Given that the required period for notice of motion has been served, that the Board of Education of School District 62 (Sooke) adopt the new Policy and Regulations B-118 "Social Media". CARRIED

23. MOVED Bob Phillips/Dianna Seaton

Given that the required period for notice of motion has been served, that the Board of Education of School District 62 (Sooke) adopt the revised Policy and Regulations E-530 "Use of Tobacco, Vapour Products and Cannabis on School Board Premises".

CARRIED

24. MOVED Bob Phillips/Margot Swinburnson

Given that the required period for notice of motion has been served, that the Board of Education of School District 62 (Sooke) adopt the revised Policy F-228 "Pest Management". CARRIED

25. MOVED Bob Phillips/Margot Swinburnson

Given that the required period for notice of motion has been served, that the Board of Education of School District 62 (Sooke) adopt new Policy and Regulations C-317 "Police Requests for Student Interviews".

CARRIED

26. MOVED Bob Phillips/Dianna Seaton

Given that the required period for notice of motion has been served, that the Board of Education

of School District 62 (Sooke) adopt revised Policy C-350 "Appeals". CARRIED

27. MOVED Margot Swinburnson/Bob Phillips

Given that the required period for notice of motion has been served, that the Board of Education of School District 62 (Sooke) adopt new Policy and Regulations A-410 "Live Streaming Public Board and Standing Committee Meetings".

CARRIED

28. MOVED Bob Phillips/Margot Swinburnson

Given that the required period for notice of motion has been served, that the Board of Education of School District 62 (Sooke) adopt revised Policy and Regulations C-329 "Field Trips". CARRIED

9. STUDENTS

10. FOUNDATIONS & GOVERNANCE

10.1 Board Work Plan 90 Day Outlook – Ravi Parmar

The Board Chair provided a review of the next 90-day work plan.

10.2 Na'tsa'maht Education Committee - Meeting held on December 15, 2021

Dianna Seaton provided the Board of Education with an overview of the Na'tsa'maht Education Committee Meeting, and highlighted two presentations from Mr. Wayne Kelly, District Vice-Principal Academies, and Ms. Cindy Andrew, Healthy Schools Consultant.

10.3 <u>Trustee Remuneration – Dianna Seaton</u>

Trustee Seaton provided an update to the Board of Education on the details of the trustee remuneration package.

29. MOVED Dianna Seaton/Bob Beckett

That the Board of Education of School District 62 (Sooke) increase the base rate of the annual trustee remuneration to \$19,500 effective July 1, 2022 and that a monthly expense allowance of \$75.00 be provided to each trustee effective March 1, 2022. These amounts will be adjusted on July 1st of each year based on the provincial consumer price index amount for the preceding year. CARRIED

11. ADMINISTRATION

11.1 <u>Superintendent's Report – Scott Stinson</u>

Scott Stinson acknowledged concerns heard from the partner groups during the delegations. He thanked staff, students, and the community for their continued patience, and support. He recognized the significant impact that this pandemic has had on the school community and its resources. He provided an update to the Board of Education on Kindergarten Registration, the upcoming placement of PVP and subsequent vacancies, the upcoming budget process, and the status of the Program Review.

February 8, 2022

Ref: 253745

Dear Education Partners, Child Care Stakeholders, Providers and Operators:

It is our pleasure to address you jointly today with the news that our Government has announced that the accountability for child care will transition to the Ministry of Education at the beginning of April 2022.

This transition reflects and responds to advice we have been hearing from the child care sector since the launch of ChildCareBC in 2018, and it aligns with approaches taken in other provinces and territories. Bringing child care under the umbrella of the Ministry of Education acknowledges that it is part of a child's learning journey, delivering important early learning opportunities and supporting future educational success. This transition brings us closer to achieving our ChildCareBC vision of offering families quality, inclusive child care that is available when parents need it, at a price they can afford.

This transition means that the Minister of State for Child Care, public service staff, the budget and the legislative authority for child care will move to the Ministry of Education. The operational impact for the child care and education sectors will be minimal. Over time, this change will lead to a better understanding of regional child care needs, and an increased provision of child care, including on school grounds – responding to the shortage of spaces faced by families while easing transitions for children entering school.

There will be no immediate change for child care operators as a result of moving child care delivery into the Ministry of Education. Child care operators will not be governed by school boards or be responsible for delivering provincial curriculum. Child care is important for parents, and all types of child care providers – from public and private, to Indigenous-led, non-profit and family-run – will continue to have access to government supports and be invited to participate in the future of child care in BC.

We remain committed to ongoing dialogue with First Nations rights holders, Métis and Inuit peoples about what a distinctions-based approach to Indigenous child care means. Neither the Ministry of Education nor school districts has any jurisdiction over early learning and child care delivered on reserve.

.../2

Many school districts across the province have embraced opportunities to provide much-needed before- and after school care. Existing programs will continue to operate as they do today, and we encourage districts to continue looking for opportunities to provide this important service for families in their communities.

To better respond to regional and local child care needs, such as partner engagement, planning and building capacity, six new regional offices are being established. Over time, these offices will grow into the main point of contact for the child care sector.

We acknowledge that there have been many changes for community service organizations, child care providers and educators in the last two years as we collectively deal with the new and everchanging environment brought on by the COVID-19 pandemic. We thank you for your hard work and perseverance during these challenging times.

This transition represents an exciting development, and we want to assure you that all existing child care programs and funding will remain in place as we continue the work to implement our ChildCare BC plan.

We remain committed to ongoing engagement with the education and child care communities on how this change can improve access to care for families, and make transitions into school easier for children.

As many of you know, we have already launched an extended period of engagement to begin these conversations. Please visit the Early Care and Learning Engagement page on our ChildCare BC website to find out more about how to participate. Together let us continue our work to build a brighter future for families where child care is a core service that is affordable, reliable and available when and where families need it.

Thank you again for everything you do to uplift, educate, and care for British Columbia's youngest citizens.

Sincerely,

Jennifer Whiteside

Minister of Education

Katrina Chen

Minister of State for Child Care

February 9, 2022

The Honourable Jennifer Whiteside Minister of Education PO Box 9045, Stn Prov Govt Victoria B.C. V8W 9E2 educ.minister@gov.bc.ca

Dear Minister Whiteside,

Subject: Response to FNLC Letter on FSAs

The British Columbia School Trustees Association (BCSTA) is writing to express support for the letter sent to you on November 18 from the First Nations Leadership Council (FNLC) regarding the importance of the Foundation Skills Assessment (FSA) data as a tool for equity in education in British Columbia.

Boards of education share with the FNLC a deep commitment to closing the achievement gap for First Nations students in B.C. We are equally dedicated to fulfilling the responsibilities of boards of education and the provincial government as outlined in the British Columbia Tripartite Education Agreement (BCTEA).

As leaders in this sector, we are acutely aware of the importance of robust student data collected from a variety of assessments that is used to best understand how the sector is performing. Such data is also a critical part of enabling schools and districts to focus on improvement while meeting individual student needs.

Comprehensive system-wide data is central to illuminating and evaluating how the system is meeting the needs of students traditionally underserved by our sector. It is only through full student participation that we can properly comprehend gaps in performance and identify strategies to eliminate such gaps. We also believe that a regular review of all provincial assessments should be incorporated into a comprehensive provincial assessment program.

Your government, through the introduction of the anti-racism data legislation, has shown that it understands the importance of leveraging disaggregated data to support meaningful system changes. This legislation clearly outlines the role that strong, relevant data plays in identifying and eliminating persistent patterns of inequity. Student life chances have the potential of being improved through a similar application of data collection and use within the education sector.

Over the years, the efforts to remove the FSA from schools have distracted all of us from a critical conversation regarding the performance of subsets of students. In an effort to improve outcomes for Indigenous children across the province, and in support of the FNLC, boards of education support the continued use of system wide standardised assessment as a critical tool for equity in educational outcomes within the B.C. education system.

We concur with the FNLC that there is much work to be done to improve educational outcomes for First Nations students in B.C. Rigorous system-wide student data is one of our most important resources in addressing this critical issue, and we believe that working together we have a collective responsibility to improve the efficacy of this data.

In our co-governance relationship, boards of education support the call to uphold the legal commitments of the BCTEA and ask that you support boards of education in their efforts to have the most comprehensive set of student data available. Working together on this priority will broadly improve educational outcomes, and most importantly eliminate systemic inequities for Indigenous students.

Sincerely,

Stephanie Higginson

District Occupational Health and Safety Committee Sooke School District January 17, 2022

Sooke School District Board of Education

Dear Board of Education:

It has come to the attention of the District Occupational Health and Safety Committee that the Occupational Health and Safety budget can be limiting when addressing new OHS concerns or more urgent OHS concerns. As such, the committee is requesting that they be allowed to make a budget presentation as part of the Board's annual budget process.

The District Occupational Health and Safety Committee meets once a month to discuss the health and safety of workers across the district. As per Administrative Regulation E-520, Health and Safety, one of the roles of the DOHS Committee is to "make recommendations to the employer for the establishment and enforcement of health and safety policies and practices." Often, when the committee puts for recommendations or discusses how we might address certain health and safety issues, we are told that there isn't money for it. As a result, DOHS feels the need for additional budget considerations for new and urgent OHS concerns that are brought to the committee.

As a committee made up of many partner groups, we understand the budget process that occurs each year. During this process, partner groups are given time to address the board on where they feel money is needed to help inform the board of their priorities for the next year. As the advisory committee that oversees health and safety in our district, we are asking that we be given a time slot as part of the proceedings to bring forward district level OHS concerns that have been brought to the DOHS Committee for budgetary consideration.

Thank you for your consideration.

Sincerely,

District Occupational Health and Safety

1. CALL TO ORDER AND ACKNOWLEDGEMENT OF FIRST NATIONS TERRITORIES

The meeting was called to order at 6:07 pm by the Committee Chair, Bob Beckett acknowledged that we are honoured to be meeting on the traditional territories of the Coast Salish, specifically Esquimalt Nation, Songhees Nation and acknowledge the three nation SD 62 works with directly in our schools; Sc'ianew Nation, Coast Salish, and T'Sou-ke Nation; including the West Coast Pacheedaht Nation Nuu-chah-nulth. (words gifted by the three Nations SD62 works with)

2. COMMITTEE REPORT

The Board of Education of Sooke School District 62 (Sooke) received the Resources Committee Report dated January 12, 2022 at its Public Board Meeting dated January 25, 2022.

3. PRESENTATIONS

4. BUSINESS

4.1 Program Review Update – Scott Stinson

Scott Stinson provided a further update on the Program Review process. The review has been intended to be centered around all aspects of the District's activities and to align the operational plan with the budget process. The reviews were focussed on alignment, coherence, efficiency and risk management. Further details of the review's recommendations will be provided to the Committee during the budget development process.

4.2 21/22 Amended Budget – David Lee Bonar

David Lee Bonar provided the Committee with the highlights of the changes in the budget from the preliminary budget to the amended budget. The Committee discussed the changes and supported the following motion for Board consideration:

<u>Recommended Motion</u>: That the Board of Education of School District #62 (Sooke) give first, second and third readings to the 21/22 Amended Annual Budget Bylaw specifying a total budget of \$166,960,008.

4.3 21/22 Quarter 2 Financial Forecast – David Lee Bonar

David Lee Bonar provided an update on the 21/22 Quarter 2 Financial Forecast to the Committee. The Committee discussed the funding and staffing challenges facing the District and the need for support in the classroom, especially early intervention in addition to the infrastructure required to support the system. The Committee recognizes the challenges in the system but felt it should wait for the Q3 forecast before committing to make any future funding decisions.

4.4 22/23 Budget Development – Harold Cull

Harold Cull provided an update on the 22/23 Budget Development process. The Committee discussed the initial estimates of the budget development process and the constant needs of the system in the areas of mental health, supports for students and staff, early learning intervention and infrastructure. Staff outlined the next steps in the process and the Committee's role in the process moving forward. The Secretary-Treasurer indicated that our partner groups have been invited to meet with the Board of Education on February 23, 2022 to provide their comments formally.

4.5 Minor Capital Update – Mhairi Nicolson

Mhairi Nicolson provided a Minor Capital and an Annual Facilities Grant Update to the Committee. A slide show was presented to the Committee showing all the great work that has been completed by the staff in our schools. The Committee discussed the importance of sharing these accomplishments with our municipalities to help support the conversation and potential future partnerships.

5. ADJOURNMENT AND NEXT MEETING DATE: March 8, 2022

AMENDED ANNUAL BUDGET BYLAW

A Bylaw of THE BOARD OF EDUCATION OF SCHOOL DISTRICT NO. 62 (SOOKE) (called the "Board") to adopt the Amended Annual Budget of the Board for the fiscal year 2021/2022 pursuant to section 113 of the *School Act*, R.S.B.C., 1996, c. 412 as amended from time to time (called the "*Act*").

- 1. Board has complied with the provisions of the Act respecting the Amended Annual Budget adopted by this bylaw.
- 2. This bylaw may be cited as School District No. 62 (Sooke) Amended Annual Budget Bylaw for fiscal year 2021/2022.
- 3. The attached Statement 2 showing the estimated revenue and expense for the 2021/2022 fiscal year and the total budget bylaw amount of \$166,960,008 for the 2021/2022 fiscal year was prepared in accordance with the *Act*.
- 4. Statement 2, 4 and Schedules 1 to 4 are adopted as the Amended Annual Budget of the Board for the fiscal year 2021/2022.

READ A FIRST TIME THE 22nd DAY OF FEBRUARY, 2022;

READ A SECOND TIME THE 22nd DAY OF FEBRUARY, 2022;

READ A THIRD TIME, PASSED AND ADOPTED THE 22nd DAY OF FEBRUARY, 2022;

Chairperson of the Board

(Corporate Seal)

Secretary Treasurer

AMENDED ANNUAL BUDGET BYLAW

A Bylaw of THE BOARD OF EDUCATION OF SCHOOL DISTRICT NO. 62 (SOOKE) (called the "Board") to adopt the Amended Annual Budget of the Board for the fiscal year 2021/2022 pursuant to section 113 of the *School Act*, R.S.B.C., 1996, c. 412 as amended from time to time (called the "*Act*").

- 1. Board has complied with the provisions of the Act respecting the Amended Annual Budget adopted by this bylaw.
- 2. This bylaw may be cited as School District No. 62 (Sooke) Amended Annual Budget Bylaw for fiscal year 2021/2022.
- 3. The attached Statement 2 showing the estimated revenue and expense for the 2021/2022 fiscal year and the total budget bylaw amount of \$166,960,008 for the 2021/2022 fiscal year was prepared in accordance with the *Act*.
- 4. Statement 2, 4 and Schedules 1 to 4 are adopted as the Amended Annual Budget of the Board for the fiscal year 2021/2022.

READ A FIRST TIME THE 22nd DAY OF FEBRUARY, 2022;

READ A SECOND TIME THE 22nd DAY OF FEBRUARY, 2022;

READ A THIRD TIME, PASSED AND ADOPTED THE 22nd DAY OF FEBRUARY, 2022;

Chairperson of the Board

(Corporate Seal)

Secretary Treasurer

I HEREBY CERTIFY this to be a true original of School District No. 62 (Sooke) Amended Annual Budget Bylaw 2021/2022, adopted by the Board the 22nd DAY OF FEBRUARY, 2022.

Secretary Treasurer

Board Info Note February 22, 2022

Agenda Item: 7.2 Real Property Disposal Bylaw

Background

- The following is the Info Note provided at the January 25th Board meeting at which time the 1st reading of the disposal bylaw was made. Staff are requesting the Board complete the process by reading the bylaw for the 2nd and 3rd time at their February meeting (motion below)
- The School District was approached by the City of Langford to exchange a portion of the proposed school site at 7900 McCallum Road (~12 acre site)
- The City was looking to exchange a two acre parcel at the south end of the property for a 2 acre parcel at the northern end of the site
- This was a straight land exchange of the same amount and no other consideration was transferred
- The transfer provided the School District with a more rectangular school site to build on (advantage) and we wanted to continue to be a strong partner with Langford on common issues
- This transaction has been processed by the Land Titles Office and the District is now required to
 pass a real property disposal bylaw for retention by the Ministry of Education per the attached
 letter
- Staff are requesting the Board to consider passing the following bylaw with the 1st reading on January 25th and the 2nd and 3rd readings on February 22nd:

Proposed Motion: That the Board *Disposal of Real Property Bylaw No. 2022-01*, specifying the Board of Education of School District 62 (Sooke) authorize the disposal of a 0.782 ha/1.932 ac portion of its 7900 McCallum Road be given second and third reading. This disposal involves a land exchange of equal value with the City of Langford.

DISPOSAL OF REAL PROPERTY BYLAW NO. 2022-01

A BYLAW BY THE BOARD OF EDUCATION OF SCHOOL DISTRICT NO. 62 (SOOKE) (hereinafter called the "Board") to adopt a Disposal of Real Property Bylaw.

WHEREAS section 65 (5) of the *School Act* provides that a board of education may exercise a power with respect to the acquisition or disposal of property owned or administered by the board only by bylaw;

AND WHEREAS pursuant to Section 96 (1) of the *School Act*, "land" includes any interest in land, including any right, title or estate in it of any tenure;

AND WHEREAS section 96 (3) of the *School Act* provides that a board of education may dispose of land or improvements, or both, subject to the orders of the minister;

AND WHEREAS section 3 of the *Disposal of Land or Improvements Order* provides that boards must not dispose of land or improvements by sale and transfer in fee simple or by way of lease or 10 years or more unless such disposal is to another board or an independent school for educational purposes or is approved by the Minister in accordance with section 5 of the Disposal of Land or Improvements Order;

AND WHEREAS section 5 of the *Disposal of Land or Improvements Order* provides that the Minister may approve, with any terms and conditions, a disposition of land or improvements;

NOW THEREFORE be it resolved that the Board of Education of School District No. 62 (Sooke) hereby authorizes the disposal of a portion of the property located 7900 McCallum Road, legally described as:

Lot D, Section 112A, Esquimalt District Plan EPP88774 Except Plan EPP11361 PID: 030-760-721

The Board of Education confirms that the property is not required for future educational purposes in School District 62 (Sooke).

This bylaw may be cited as School District No. 62 (Sooke) Disposal of Real Property Bylaw No. 2022-001.

Secretar	/-Treasurer	

COMMITTEE REPORT OF THE EDUCATION-POLICY COMMITTEE via MS Teams Live February 1, 2022 – 6:00 p.m.

Present: Allison Watson, Trustee (Committee Chair)

Margot Swinburnson, Trustee (Committee Member)
Dianna Seaton, Trustee (Committee Member)

Christina Kempenaar, STA

Lou Leslie, CUPE Sandra Arnold, SPEAC Georgette Walker, SPVPA

Stephanie Hedley-Smith, Associate Superintendent

Paul Block, Associate Superintendent Scott Stinson, Superintendent/CEO

Regrets: Dave Strange, Associate Superintendent

Guests: Harold Cull, Secretary-Treasurer, Pete Godau, Director of Facilities

1. CALL TO ORDER AND ACKNOWLEDGMENT OF FIRST NATIONS TERRITORIES

We are honoured to be meeting on the traditional territories of the Coast Salish: T'Sou-ke Nation and Sc'ianew Nation and Nuu-chah-nulth: Pacheedaht Nation. We also recognize some of our schools reside on the traditional territory of the Esquimalt Nation and Songhees Nation.

2. Opening Remarks from Chair, Allison Watson

Trustee Watson thanked members of the committee for attending. She acknowledged the current challenges the school system is undergoing and the additional time and work for committee members to attend and participate in the meeting is greatly appreciated.

Trustee Watson explained that in her role as chair, the committee will notice a shift from Trustees being asked to comment first after a presentation and prior to partners commenting. Moving forward, the committee will hear the chair acknowledging partner's perspectives in the order committee members indicate a desire to speak or pose a question. Trustee Watson spoke to the intent of respecting all voices and creating the opportunity for Trustees to hear from partners and stakeholders prior to their opportunity to pose questions or comments. This change supports and honours the equitable values held by SD62 and promotes healthy dialogue and feedback from our partners and stakeholders that further supports Trustees in practicing informed decision-making.

3. **COMMITTEE REPORT** of January 4, 2022 Education Standing Committee meeting
The committee report for the January 4, 2022 Education-Standing Committee meeting was reviewed by the committee.

4. BAA COURSE PROPOSALS

There were no BAA course proposals for this meeting.

5. **REVIEW OF POLICIES/REGULATIONS**

a. Draft Revised Policy and Regulations B-132 "Career Education" - Paul Block

Associate Superintendent Paul Block highlighted the modernization of the Policy and Regulations as a result of the Curriculum Re-Design (2019) and responded to several questions about how Career Education operates and serves students in our District and community.

Recommendation

That the Board of Education give Notice of Motion to draft revised Policy and Regulations B-132 "Career Education".

b. Revised Regulations E-152 "Excluded Staff & Administrative Officers — Salaries & Benefits" — Scott Stinson

Superintendent Scott Stinson highlighted adjustments to the Regulations that were triggered primarily as a result of recent BCPSEA directives. The revisions reflect housekeeping based on legislative changes and brings SD62 into alignment with legislation. Mr. Stinson responded to questions from the committee.

c. <u>Draft Revised Policy and Regulations F-100 "Transportation"</u> – Harold Cull

Secretary-Treasurer Harold Cull shared highlights of the draft revised Policy and Regulations with attention paid to student and staff safety and addressing growth across the District as the main focus of the changes to the proposed revisions. He highlighted the process for gathering information and decision-making in addition to rationale involved with the recommended changes.

Comments were made and discussion ensued regarding the potential impacts of proposed fees on families and students.

Mr. Cull responded to questions from committee members and spoke to the intent of the Policy and Regulations. This step is intended to generate discussion and further consultation. Moving this forward provides the opportunity for the Board to discuss and consult as part of the process to refine building towards a revised Policy and Regulations.

Recommendation:

That the Board of Education give Notice of Motion to draft revised Policy and Regulations F-100 "Transportation".

6. **NEW BUSINESS**

a. Draft School Calendar – Stephanie Hedley-Smith

Associate Superintendent Stephanie Hedley-Smith spoke to a consultative process with all stakeholders and neighbouring Districts to develop a 3-year school calendar. After tonight's meeting the proposed calendars will go out for public consultation. One error on the 2024-25 calendar was noted for correction.

The committee provided some feedback and indicated a desire for the calendars to move to public consultation.

b. EMCS Society Review – Scott Stinson

Mr. Stinson spoke to the work that former Superintendent Jim Cambridge undertook to engage in an investigative and consultative process to review the current operations and governance of the Society.

He has made recommendations to bring the Society back into focus and alignment of the original intent and mission of the Society. The report spoke to the connection of the Society to the school and the community, the evolution of funding and programming and the District's desire to clarify and reinvigorate the Society through a thorough policy revision rooted in the report's findings and recommendations.

Dialogue ensued amongst committee members and Mr. Stinson responded to questions from the committee.

Recommendation:

That the Board of Education direct the Superintendent to review Policy B-425 "Community Schools" for the purpose of revising the Governance Structure. Further, that the Superintendent make recommendations for aligning funding from the District to the core vision and mission of the Society.

d. <u>Strategic Plan Progress – Quarterly Report</u> – Scott Stinson

Mr. Stinson spoke to the highlights and origins of the data provided in the Q2 report and the intent to connect the report to the Strategic Plan. Trustees spoke to engaging in a dialogue at the Board meeting around these data points and their significance.

Dialogue ensued amongst committee members and Mr. Stinson spoke to questions brought forward by the committee.

Recommendation:

The committee recommends that the Board of Education pass a motion to receive the Strategic Plan Progress – Quarterly Report (Q2) for consideration and further discussion.

7. FOR INFORMATION

a. Research Project Approval – Annalea Sordi, Victoria Sexual Assault Centre – "Preventing Dating Violence by SHIFTing Culture" – Scott Stinson

8. FOR FUTURE MEETINGS

9. **ADJOURNMENT AND NEXT MEETING DATE**: Mar. 1, 2022

POLICY AND REGULATIONS ADOPTION

School District #62 (Sooke)

February 22, 2022

Draft revised Policy and Regulations B-132 "Career Education" are now ready for Notice of Motion.

NOTICE OF MOTION:

That draft revised Policy and Regulations B-132 "Career Education" be given Notice of Motion.

School District #62 (Sooke)

	No.: B-132
CAREER EDUCATION	Effective: Dec. 10/92 Revised: July 5/05; June 23/15 Reviewed: May 11/15; Feb. 1/22

SCHOOL DISTRICT POLICY

The Board of Education recognizes that Career Development is one of the "collective mandates" in addition to Intellectual Development and Human and Social Development of the public education system, shared by schools, family and community. Career Education programs in BC schools should prepare students to attain their career and occupational objectives; to assist in the development of effective work habits and the flexibility to deal with change in the workplace as per the <u>Vision for Student Success</u>. When students complete secondary school, they should have developed:

- Competencies to be self-directed, responsible individuals who can set and meet career goals.
- Knowledge of a range of career choices, and actions needed to pursue those choices; and,
- Employability skills required to work effectively and collaboratively in a workplace.
- A personal awareness of overall strengths, character and passions with a focus to leverage skills and attributes to foster independence in the 21st century.

Career Education is designed to facilitate the student's use of community resources for learning experiences and pursuit of career **and life** objectives.

Career Development Policy Issued and in effect January, 2004 2022

CAREER-LIFE COURSES AND PROGRAMS

- 1. Definitions General
 - a. <u>Career Programs</u> <u>Career-Life Courses and Programs</u>: Educational courses and/or programs focusing on a career or career-related area of study, which **may** combine related secondary and post-secondary courses. For purposes of reporting to the Ministry, career courses and programs may include any of the following types of programs:
 - Work Experience (WEX) (including volunteer service): Supports students in both their career development and their human and social development. This type of experiential learning increases the relevance of school by helping students connect what they learn in the classroom with the skills, knowledge, and attitudes needed to be successful in both the workplace and larger community. This course can include volunteer service.

- Career Preparation Programs: Prepare students for entry into the workplace or for further education and training in a specific career pathway that includes coursework and 90 hours of work experience placements.
- Co-operative Education: offers students experience in the career field of their choice through a combination of course work and 90 plus hours of work experience.
- Youth Work in Trades (YWT) Secondary School Apprenticeship (SSA): Students earn 16 credits
 toward secondary school graduation and begin earning work-based training hours toward
 provincially and nationally (Red Seal) recognized industry training program credentials.
 - Youth Train in Trades (YTT) Accelerated Credit Enrolment in Industry Training (ACE IT):
 An industry training program for high school students. Through a YTT an ACE IT program, students take courses that will provide both high school graduation credits and post-secondary institution credits at that are equivalent to the first level of foundation/apprenticeship technical training.
 - <u>Post-Secondary Transition Programs (Dual Credit)</u>: Educational programs that combine secondary and post-secondary courses that lead to Grade 12 graduation as well as help students make smooth transitions to further education or training. Students receive both high school graduation credits as well as post-secondary credits.
 - b. <u>Curriculum</u>: The Career Education curriculum is highlighted by the Big Ideas in Kindergarten to grade 3, grades 4-5, grades 6-7, grades 8-9, and in the grad program **for** grades 10-12. In grades K-9, the Career Education curriculum is woven into the learning programs of all students. In grades 10-12, students earn 8 credits towards graduation by completing Career Life Education, Career Life Connections, and their Capstone project or presentation. Students are supported through learning standards focused on Curricular Competencies and Content.

<u>Focus Areas</u>: Organizers for groups of courses taken in the <u>Graduation Program 2004</u>, intended to enhance career development. The eight Focus Areas that all students will learn about during the required <u>Planning 10</u> course include: Business and Applied Business; Fine Arts, Design, and Media; Fitness and Recreation; Health and Human Services; Liberal Arts and Humanities; Science and Applied Science; Tourism, Hospitality, and Foods; and, Trades and Technology.

- 2. The Board of Education (the "Board") supports career programs that integrate classroom learning with practical experience in the workplace. These programs link the resources of secondary schools, business/industry, post-secondary, and the community to provide senior students with educational experiences that prepare them for the transition from school to further study and/or work.
- 3. Learning outcomes across subject areas are designed to support career development. In addition, all students are expected to meet career development related learning outcomes in the Integrated Resource Packages for Planning 10, and provide evidence of competencies they have developed through the Grad Transitions program.
- 4. Schools and school boards may also create career programs as educational options to support students in career development. Successful career courses and programs provide students with opportunities to integrate school-based learning with post-secondary pursuits and community-based work experiences. In these programs, students explore a particular focus area or career interest, participate in post-secondary and/or workplace learning to prepare for transitions to the workplace or to further education, and training at a post-secondary institution. To support and recognize student achievement in the area of career development, participation in a career program is acknowledged on a student's transcript.

Co-ordination

The Board believes that co-ordination of career programs is required both at the district and school level to ensure that:

- Ministry of Education requirements for programs are met,
- Board regulations and guidelines are followed,
- Parental understanding and consent is secured,
- All students receive appropriate preparative instruction for off-campus work experience,
- The required forms and authorizations are completed and processed,
- Appropriate supervision and evaluation is provided and accurate records are kept,
- Employer support is developed and maintained,
- New programs are developed as required by the district and the Ministry,
- Develop and maintain post-secondary links and programming opportunities,
- Develop and maintain industry and community links for work experience and employment opportunities,
- Labour market and post-secondary information is provided and used as a basis for program development and promotion.

ADMINISTRATIVE REGULATIONS

CAREER PROGRAMS

I. Approval and Operation

Career programs shall be developed and operated according to Ministry of Education and Board of Education (the "Board") regulations and guidelines, as outlined in the documents and references listed below.

Ministerial Order 302/04, the <u>Graduation Program Order</u> (http://www2.gov.bc.ca/gov/DownloadAsset?assetId=C25940772BED48CF9DB613ECD35E65A7)

Graduation Program Policy Guide (2021) graduation-policy-quide.pdf (gov.bc.ca)

Program Guide for Ministry-Authorized Work Experience Courses (2019) Work Experience Program Guide (gov.bc.ca)

Youth Work in Trades (2019) ita Youth Work in Trades Program Guide (gov.bc.ca)

Youth Train in Trades (2019)

<u>Train - Industry Training Authority Industry Training Authority (itabc.ca)</u>

SD62 Work Placement Documentation (attached) online link to be established

II. Co-ordination

The Board supports co-ordination for the development, maintenance, and management of career programs. Co-ordination shall include defined responsibilities at both district and school levels.

Worksites

Development of placement sites for Work Experience and Secondary School Apprenticeship Youth
 Work in Trades and is the joint responsibility of district and school-based staff.

- A site analysis to determine curricular links, working conditions, and safety considerations is required for each new worksite placement. Site analyses are the shared responsibility of school and district-based staff.
- On-going monitoring of work placement sites is part of the supervision process and is the responsibility of school-based staff. When appropriate, concerns regarding specific work placement sites should be reported in writing to the Career Programs Advisor/Co-ordinator.

Work Experience

To fulfill the employability skills section of the Graduation Transitions, all students must provide evidence that they have completed any of the following: A Ministry authorized work experience course, a school-arranged 30 hour work placement, 30 hours of volunteer service, or 30 hours of paid student employment.

To fulfill the Career-Life Connection Graduation Requirements, students must complete 30 hours of work experience or career-life exploration. Students must provide evidence that they have completed any of the following: A Ministry-authorized work experience course, a school arranged 30-hour work placement, 30 hours of volunteer service, or 30 hours of paid student employment. In addition to the 30 hours of Work Experience required for graduation, students may also participate in elective programs such as: Youth Explore Trade Skills (10-12); Youth Explore Trades Sampler; Youth Work in Trades; Youth Train in Trades, and Work Force Training Certificate 12.

To complete Graduation Transitions requirements students will also have to show evidence of daily physical activity log for the Personal Health requirement and evidence of transition planning for Career and Life component.

Preparation for any off-campus work experience shall include an orientation:

- A Staff review of Ministry-Authorized Work Experience Courses and Workplace Safety Policy -Province of British Columbia (gov.bc.ca)
- That the student shall be 14 years of age or older;
- Job readiness Employability skills;
- Appropriate attitudes, behaviour, and dress; Behaviour aligned with SD62 Student Code of Conduct;
- Ethics and confidentiality;
- Workplace safety, including harassment, accident/incident procedures;
- Accident procedures;
- Job and company **Employer** research and expectations;
- Human rights legislation (Employment Standards Act and Labour Relations);
- Completion of required documentation (*Work Experience Placement Agreement/Paid Work Training Plan*).

Preparation, as described above, must take place prior to the student's first work experience.

- No student shall begin work experience until the appropriate Board 'Work Experience Placement Agreement' for unpaid work or a 'Training Plan' form is signed by all parties (student, parent/quardian, teacher/supervisor, and employer) and filed in the school.
- Students shall not be marked absent while attending off campus work experience.
- For school-arranged work placements or school arranged volunteer service, all accidents must be
 reported as soon as possible. A <u>WorkSafe BC injury report</u> (Form 7) must be completed by the
 school and copied to the district to be submitted within three days to WorkSafe BC. A copy of this
 report and the Work Experience Agreement form must also be sent to the Ministry of Education.

Part of WEX 12 is completing reflection assignments that will be used to help us explore your growth with the essential skills related to your field of work, your understanding of the site-specific workplace expectations, the responsibilities and expectations associated with your work placement, your ability to develop your: problem-solving skills, conflict resolution strategies, interpersonal skills, self-advocacy and self-efficacy.

Consider the following questions and write a thorough reflection:

•	What are your current, site-specific, workplace expectations?

• Wh	Page 55 of 146 at essential skills do you need to have for your current role at work and/or future roles?
• Wh	at are you responsible for?
• Hov	w are others reliant on you?
• Hov	w have you/ could you approach a problem with a colleague?
• Hov	w have you advocated for yourself on your worksite?
	w do you approach new challenges and tasks? What do you say to yourself or how do you problem we when doing a new task?
• Did	I you remember to hand in an up to date copy of your resume?
Submitting	g this assignment: please complete this reflection and submit it to your Work Experience teacher.

Territorial Acknowledgement SD62

Harmonious Artist Statement:

The artwork *Harmonious* was inspired by the traditional territories that Sooke School District resides. They are the T'Sou-ke Nation (Sooke), the Scia'new Nation (Beecher Bay), and the Pacheedaht Nation (Port Renfrew). It is meant to celebrate the holistic, respectful, and balanced relationship that the School District strives towards with the Nations.

Harmonious honours the name sake for each Nation both in text and visually: Pacheedaht translates to English as "Children of the Sea Foam"; T'Sou-ke is the name of the Stickleback fish; and Scia'new translates into English meaning "big fish". This recognition reflects the thankfulness of the Sooke school district for the advice, guidance, and generosity that each of the Nations bring to the programming in each of the schools.

The Nations' have a deep connection to the land. The Nations territory is diverse with impressive geography. It is a place of giant trees in an oceanfront rainforest, grand mountain peaks, deeply indented with inlets and fairly extensive coastal plains. The art ties this visually to the philosophy of "we are all one" through the movement of the split-u to the spiraling swoops that connect the Thunderbird, Killer whale and the sun.

The copper speaks to the richness of the Nations' culture, knowledge and communities. The accent colours tie this historically abundant ways of knowing to today. The Nations' ingenious ways provide a strong foundation for the Sooke School District.

Connie Watts is the Associate Director, Aboriginal Programs at Emily Carr University of Art + Design. She is an interdisciplinary artist, writer, curator, educator and designer of Nuu-chah-nulth, Gitxsan and Kwakwaka'wakw ancestry. Born and raised in Campbell River, Connie has a Bachelor of Interior Design from the University of Manitoba, and a BFA from Emily Carr.

Territory Acknowledgements honour and show respect to the nations who live, work, and play here from time immemorial.

Careers Department

Secondary's Career Education Department would like to express gratitude to the Coast Salish, specifically Esquimalt Nation and Songhees Nation whose unceded, traditional territories we share as we support youth on their journey to understand who they are, who they want to be and how they connect with this remarkable land.

Hych'ka – Coast Salish

Kleco Kleco - Nuu-chah-nulth

WORK EXPERIENCE 12A: Big Ideas and Learning Standards

- Experiences outside of school provide students with skills, workplace knowledge on responsibility and expectations; problem solving, conflict resolution and interpersonal skills and strategies.
- Personal awareness and self-advocacy develop from resume and interview explorations, and cultural land considerations.
- Understanding workplace safety and personal rights, occupational health, worker insurance and injury prevention are essential.

	- Emerging +	- Developing +	- Proficient +	- Extending +	Next Steps
Experiences outside of school provide student with skills, work place knowledge on responsibility and expectations; problem solving, conflict resolution and interpersonal skills and strategies.	The student is starting to understand the skills and knowledge associated with responsibility and expectations. Problem solving, conflict resolution and interpersonal skills and strategies are being considered.	The student shows some skills and knowledge associated with workplace responsibility and expectations. Problem solving, conflict resolution and interpersonal skills and strategies are being considered.	The student demonstrates good skills and knowledge associated with workplace responsibility and expectations. Problem solving, conflict resolution and interpersonal skills and strategies are practiced.	The student demonstrates skills and knowledge associated with the workplace beyond what is required. They exceed in their ability to solve problems, resolve conflicts and engage with colleagues.	
Personal awareness and self-advocacy develop from resume and interview explorations, volunteerism and cultural land considerations.	The student is starting to be aware of themselves as an employee. They are working on a resume, interview skills, volunteerism and cultural land considerations.	The student shows some awareness of themselves as an employee. They have a working resume, are engaging in interview skills, volunteerism and cultural land considerations.	The student demonstrates personal awareness and self-advocacy within the workplace. They have a good resume and interview well. They consider volunteering and cultural lands.	The student demonstrates advanced awareness and is fully capable of advocating for themselves. Their resume is exceptional as are their interview skills. They volunteer to contribute to community and always consider cultural lands.	
Understanding workplace safety and personal rights, occupational health, worker insurance and injury prevention are essential.	The student is starting to be aware of workplace safety and personal rights, occupational health, worker insurance and injury prevention.	The student shows some awareness of workplace safety and personal rights, occupational health, worker insurance and injury prevention.	The student demonstrates full knowledge of workplace safety and personal rights, occupational health, worker insurance and injury prevention.	The student is beyond capable of protecting themselves with it comes to workplace safety and personal rights, occupational health, worker insurance and injury prevention.	

Assessment and Rubric: Work Experience 12A is a completion course worth 4 credits. All assignments and work experience hours must be completed to pass and receive credits for this course. A mark will be issued after all assignments and work placement hours have been completed.

INTERVIEW CHECKLIST

BEFORE

- First impressions are crucial.
- **Dress well!** Presentation counts, so plan what you are going to wear. Clothing should be neat, clean and appropriate for the position.
- Learn about the employer.
- Think of questions you may be asked and practice with a friend.
- **Know** the name and address of the interviewer. Plan your route.
- **Bring** a folder with your resume, list of references, pen & paper, list of questions to ask at the interviewer.

Arrival

- Go alone to the interview.
- Arrive early about 10 minutes before.
- Turn off your phone.
- Be **friendly and businesslike** to <u>everyone</u> you meet.

<u>During</u>

- Attitude is Everything! Be enthusiastic, energetic and confident. A good attitude can make up for lack of experience.
- **Greet** the interviewer and introduce yourself. Use his/her name during the interview.
- Be ready to shake hands.
- Follow the lead of the interviewer and stay on topic.
- If you do not understand a question, it is acceptable to ask the interviewer to repeat it.
- Be attentive to body language. Maintain eye contact & good posture.
- At the end of the interview, **thank the interviewer** and **shake hands.** Politely ask when you can expect to be contacted regarding a decision.

After the Interview

- Send a thank you email.
- Contact the employer if you have not heard by the set date.

BEHAVIOURAL BASED INTERVIEWING

Most formal interviews include behavioural questions. Be prepared!

What is it?

Behavioural Based interviewing is a technique used by employers in which the questions asked assist the employer in making predictions about a potential employee's future success based on actual past behaviours, instead of based on responses to hypothetical questions. In behavior-based interviews, you are asked to give a specific example of when you demonstrated particular behaviours or skills. General answers about behaviour are not what the employer is looking for. You must describe in detail a particular event, project or experience and how you dealt with the situation and what the outcome was.

Examples of behavioural interview questions:

- Describe a time when you were faced with problems or stresses that tested your coping skills. What did you do?
- Give an example of a time when you had to be relatively quick in coming to a decision.
- Give an example of an important goal you had to set and tell me about your progress in reaching that goal.
- Give an example of when you had to show good leadership.

Answering these types of questions: Be specific, not general or vague. Do not describe how you would behave, but describe how you actually behaved. If you decided you should have behaved differently, explain this – the employer will see that you learned something from your experience.

WorkSafeBC **WORKPLACE SAFETY**

Young Workers: Your Rights and Responsibilities

- Has anyone ever asked you to do something that you felt uncomfortable doing?
- Being new on the job is hard, and learning to speak up for your rights as a worker can sometimes be difficult; but no pay cheque is worth getting hurt for.

What are your RIGHTS as a worker?

You have the right to KNOW:

- $\sqrt{ }$ You have the right to **REFUSE unsafe work** You can refuse to do tasks and to work in conditions you think are unsafe, without being fired or being disciplined for refusing.
- $\sqrt{}$ To know what hazards are present on the job and how these hazards can affect you
- $\sqrt{}$ To learn about chemical safety through WHMIS (Workplace Hazardous Materials Information System)
- $\sqrt{}$ To be trained about safe work procedures
- $\sqrt{}$ To be OUTFITTED with safety gear and equipment required to do the job safely.
- $\sqrt{\text{You have the right to SPEAK UP.}}$
- $\sqrt{1}$ You have the right to report unsafe practices and conditions without worrying that you will lose your job or get in trouble.
- $\sqrt{}$ All workers have the right to participate in workplace health and safety activities. For example, you can be chosen to be a health and safety representative or a member of a committee.
- $\sqrt{}$ You have the right to be supervised to make sure you are working without unnecessary risk to yourself or others.

Employer's responsibilities:

$\hfill \square$ To provide a safe and healthy workplace with
a valid health and safety program
$\hfill\Box$ Train employees and supervisors on the
appropriate health and safety procedures and
responsibilities
$\ \square$ Ensure adequate safety equipment, supplies are
onsite with trained attendants
☐ Inspect and fix workplace regularly ☐ Report and inspect all incidents, injuries and damaged equipment to WorkSafeBC.
•

Worker's responsibilities:

☐ To know and comply with all regulations and safety procedures
☐ Co-operate with all health and safety committees and representatives, and prevention officers.
$\hfill\square$ To report unsafe actions and unsafe conditions,
injuries, incidents, or illness immediately to your
employer or supervisor
☐ To use protective equipment, as required by the employer
☐ If injured, get treatment quickly and tell the
health care provider that the injury was work
related.

WorkSafe BC: Top 7 Dangers for Young Workers

Out of all the tasks young workers do, there are seven in particular that seem to be the most dangerous, or results in the most injuries.

Danger #1: lifting objects

Danger #2: working at elevation

Danger #3: working with knives

Danger #4: working with hot substances and objects

Danger #5: Operating mobile equipment or motor vehicles

Danger #6: Danger working with slicers when preparing food

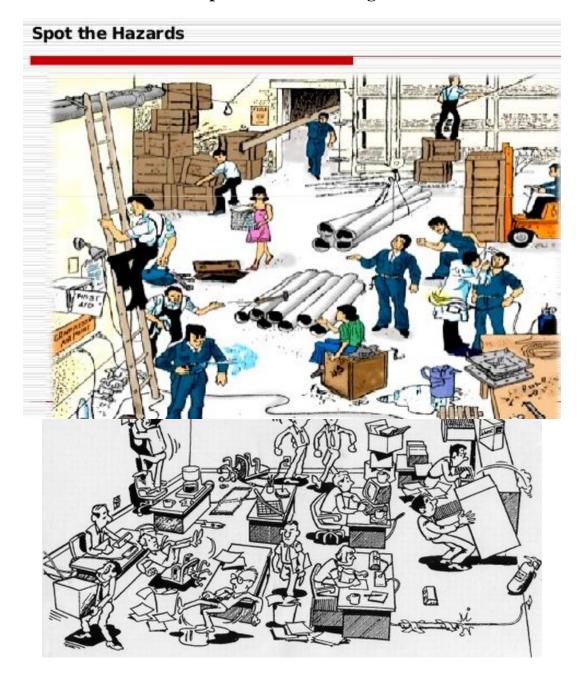

Danger #7: working near running equipment and machinery

Occupational Health and Safety Regulation 3.12: Page 65 of 146 The Right to Refuse Unsafe Work

- 1. A person must not carry out or cause to be carried out any work process or operate or cause to be operated any tool, appliance or equipment if that person has reasonable cause to believe that to do so would create an undue hazard to the health and safety of any person.
- 2. A worker who refuses to carry out a work process or operate a tool, appliance or equipment pursuant to subsection (1) must immediately report the circumstances of the unsafe condition to his or her supervisor or employer.
- 3. A supervisor or employer receiving a report made under subsection (2) must immediately investigate the matter and
 - a. ensure that any unsafe condition is remedied without delay, or
 - b. if in his or her opinion the report is not valid, must so inform the person who made the report.
- 4. If the procedure under subsection (3) does not resolve the matter and the worker continues to refuse to carry out the work process or operate the tool, appliance or equipment, the supervisor or employer must investigate the matter in the presence of the worker who made the report and in the presence of
 - a. a worker member of the joint committee,
 - b. a worker who is selected by a trade union representing the worker, or
 - c. if there is no joint committee or the worker is not represented by a trade union, any other reasonably available worker selected by the worker.
- 5. If the investigation under subsection (4) does not resolve the matter and the worker continues to refuse to carry out the work process or operate the tool, appliance or equipment, both the supervisor, or the employer, and the worker must immediately notify an officer, who must investigate the matter without undue delay and issue whatever orders are deemed necessary.

How to refuse unsafe work

Your employer is legally responsible for putting safe work practices in place, and you're responsible for following them. If you have safety and health concerns, it's your responsibility to report them. Here's where to raise questions:

- 1. If a task feels unsafe, tell your immediate supervisor, and explain why you're not comfortable. In most cases, the issue will be resolved at this stage.
- 2. If you don't get a satisfactory answer from your immediate supervisor, or that person is not available, go to up to the next higher supervisor.
- 3. If you're still not satisfied, ask your safety representative, a member of the safety committee, or a shop steward to help.
- Most problems are solved before getting to this stage, but your last recourse is WorkSafeBC.
 Phone and explain your safety concerns (you can do it anonymously).

 Call toll-free 1 (888) 621-7233.

Report an injury or illness

For more information go to: http://worksafebc.com/claims/report_injury/default.asp

Step 1: Report it to your employer immediately. Step 2: Seek medical attention and tell your doctor/clinic your injury is work related. Your employer is responsible for your transportation costs from your workplace to a doctor's office or hospital. Step 3: Start a claim by reporting it to WorkSafeBC as soon as possible. Call Teleclaim @ 1-888-WORKERS
Or Complete the Application for Compensation and Report of Injury or Occupational Disease
Google: "WorkSafeBC Form 6" Complete and submit online.
Question: Who do you report an injury to at your job site?

STUDENT RESPONSIBILITY, EMPLOYER EXPECTATIONS Page 67 of 146 and CODE OF CONDUCT AGREEMENT

	Work Experience Placement Agreement & Training Plan will be completed and returned to the school prior to documenting work placement hours.
	Regular attendance at my work placement as scheduled will be maintained.
	My employer will be contacted if I am unable to report to work.
	Problems and/or difficulties with the work placement will be communicated to the work supervisor and/or Career Centre staff at the school.
	Approval from subject teachers will be obtained when classes are missed for my work experience and missed assignments will be completed.
	Company standard business practices and procedures will be complied with.
	Business and client confidentiality will be respected.
	Honesty, punctuality, courtesy, a positive attitude, willingness to learn, being appropriately groomed and being respectful of others will be demonstrated.
	A Work Experience Time Log and Journal will be completed (Work Experience 12A requires 100 work Experience Placement hours).
	An Employer Feedback Form will be completed after 100 hours of work experience.
	Assignments for Work Experience 12A will be completed for course credit.

WORK EXPERIENCE PLACEMENT AGREEMENT Terms and Conditions - STANDARD

1. STUDENT DUTIES

The Student agrees to comply with the Work Site Employer's rules and all applicable safety regulations. Special Rules and Regulations are to be communicated by the Work Site Employer to the Student.

Students on an unpaid work experience agree to perform, without payment, those duties assigned to the Student from time to time by the Work Site Employer in consultation with the School Board's representatives.

2. SUPERVISION

The Student agrees to be under the direct supervision of the Work Site Employer and the Work Site Employer agrees to supervise the Student, at all times during the work experience placement.

3. SITE SAFETY ORIENTATION

The Work Site Employer will provide to the Student, site and work specific safety training and will not permit the Student to perform any duties unless the Student has all safety equipment required for the tasks to be performed by the Student.

4. BOARD ACCESS

The Work Site Employer agrees to allow School Board representatives to have access at any time to the Work Site Employer's worksite and to the Student.

5. TRANSPORTATION

The parties agree that the parent(s) or guardian(s) and the Student are solely responsible for the Student's transportation to and from the Work Site Employer's work site. In the case of an exception where the School Board or Work Site Employer provides transportation, describe in detail:

6. FEEDBACK

When requested by the School Board, the Work Site Employer will provide feedback on the Student's performance of the Student's duties, report that feedback in the form required by the School Board, and consult with School Board representatives about the feedback.

7. WORKERS' COMPENSATION ACT INJURY COVERAGE

- Students in a non-paid work experience placement at a standard work site are covered by the Workers' Compensation Act and are considered to be workers of the Government of British Columbia for Workers' Compensation purposes only. Coverage is limited by the terms and conditions set out in the Workers' Compensation Order (effective July 21, 2011).
- WorkSafeBC WCB coverage for any paid work experience must be covered by the employer, and will not be covered by the Province.
- Students at a Non-Standard work site are **NOT** covered by the *Workers Compensation Act*. The School Board maintains coverage with respect to its liability and that of a student participating in a work experience placement contemplated by the terms of this Agreement. This coverage is subject to exclusions, terms and conditions and deductive amount. The other parties to this Agreement may inspect from time to time, the terms of School Board coverage in effect.

8. NOTICE OF INJURY

In case of any injury or problem **during school hours**, immediately report the occurrence of injury to the Board by contacting the school career staff at the student's home school. **Out of school hours**, contact the parent/guardian or emergency contact, then the school.

9. INDEMNITY

The School Board agrees to indemnify and hold harmless the Work Site Employer, its employees and agents from any and all claims, demands, actions and costs whatsoever that may arise out of the negligent acts or omissions of the School Board, the School Board's employees and the Student, in their performance of this agreement, unless such negligent acts or omissions are at the direction of or occasioned by the Work Site Employer, its employees or agents.

The Work Site Employer agrees that it will not require the Student to perform any task unless such task might be within the scope of the Students' training and abilities.

10. INSURANCE

The School Board shall maintain liability coverage to protect the School Board, the School Board's employees, and the Student during their performance of this agreement. The School Board will not be responsible for any loss or damage to the Work Site Employer's property unless such loss or damage is due to the willful acts or omissions of the Student or is caused by the Student acting outside the Student's authorized duties.

11. MINIMUM AGE

The parent(s) or guardian(s) of the Student warrant that the Student is at least 14 years of age or older at the date of this Agreement.

12. EFFECT ON EMPLOYEES

The Work Site Employer agrees that the placement of the Student will not affect the job security of any employee of the Work Site Employer and will not affect hiring practices. The placement of the Student will be in addition to the full complement of employees. The student will not be a replacement for any employee.

13. TERMINATION OF THE AGREEMENT

Any party to this Agreement may end it at any time by giving notice in writing to all other parties at the addresses given in this agreement.

14 REFERENCE

In this Agreement a reference to the School Board includes School Board officers, employees or representatives acting within the scope of their employment.

15. CONFIDENTIALITY

All parties agree to maintain in the strictest confidence, information that comes to their knowledge during the work experience.

16. MEDICAL

It is the Student's responsibility to inform the employer of any life threatening conditions or allergies that might affect the Student's ability to carry out the work experience.

POLICY AND REGULATIONS ADOPTION

School District #62 (Sooke)

February 22, 2022

Draft revised Policy and Regulations F-100 "Transportation" are now ready for Notice of Motion.

NOTICE OF MOTION:

That draft revised Policy and Regulations F-100 "Transportation" be given Notice of Motion.

School District #62 (Sooke)

	No.: F-100
TRANSPORTATION	Effective: Sep. 22/81 Revised: Feb. 22/83; Oct. 22/83; May 23/89; Oct. 23/90; Jul. 6/05; Jan. 26/21; Reviewed: Dec. 1/20; Dec. 15/20; Jan. 26/21; Feb. 1/22

SCHOOL BOARD POLICY

The Board of Education of School District 62 (Sooke) will establish an efficient and effective school transportation system to provide for the transportation of students to and from their nearest catchment school.

The *School Act* does not require school districts to provide a school bus transportation services and therefore it is the responsibility of each family to determine the best transportation option to and from school to meet their needs.

School District 62 (Sooke) will provide transportation services for students to their catchment schools under the following guiding principles:

- 1. Transportation services will be provided on a priority basis based on the age of the student and the distance from the student's catchment school.
- 2.—Transportation services will be provided to schools outside of a student's catchment, but within their existing zone of schools, when the student is attending an educational program of choice or an academy that is not offered at their catchment school.
- 3. The District will charge all riders a safety fee to directly increase the safety of students and staff using the District's transportation system.
- 4. Transportation will be provided in a manner that ensures student safety and efficiency while balancing service costs with the costs of providing direct educational services to the students of the District.

Policy References:

B-360 "School Fees, Supplies and Deposits"

School District #62 (Sooke)

-		No.: F-100
	TRANSPORTATION	Effective: Sept. 22/81 Revised: Feb. 22/83; Oct. 22/83; May 23/89; Oct. 23/90; Jul. 5/05; Jan. 26/21 Reviewed: Dec. 1/20; Dec. 15/20; Jan. 26/21; Feb. 1/22

ADMINISTRATIVE REGULATIONS

1. Registration Process

The District will utilize a defined period registration process that will open February 1 March 1 of each year. On April 30 of each year, the registration process will pause and District staff will use registered rider information at that time to develop bus routes for the following year.

All riders registering after May 1 of each year will be placed on an existing route pending available room and on a "first come, first served" basis.

The District will **strive to** post the routes for the following year and will communicate the route information (stops and times) to families by June 30. **The ability to post the routes prior to June 30 is dependent on the amount of registrations received by April 30.**

Registration will remain open for the remainder of the school year in which the service is being provided.

Additional routes will only be created if the Secretary-Treasurer requests and receives additional funding from the Board of Education to add additional routes.

2. Transportation Fees

The District will not consider charge charging students a fee for transportation services (ridership fee) during the District's annual budget development process.

The District will charge an annual Safety Fee to be used to improve the safety for students and staff engaged in District transportation services. This fee, set annually by the Board of Education, will not exceed \$25/rider.

The District will charge a late registration fee to be set annually by the Board and not to exceed \$100/family for any registration request received after September 1. Exceptions will be provided to families moving into or within the District after the late registration date.

As with all District fees, a fee waiver process will be available to families if any fee causes undue financial hardship.

3. Eligible Riders

Eligible riders are considered to be those students travelling to their catchment school. or students attending an educational program of choice or academy program not offered at their catchment school.

Educational programs of choice are defined as:

- French Immersion; and
- Trades Awareness and Skills Knowledge

Accessible busing will be provided to those students requiring this service.

4. Student Walk Limits

The Ministry of Education's guidelines for student walk limits are as follows:

Primary students: 4 km to or from school

Intermediate & Graduation students: 4.8 km to or from school

These limits are measured by the shortest possible road distance.

The walk limits from home also apply where a student is required to walk to a designated bus stop.

The District will not follow these Student Walk Limit guidelines and instead will work with the school and local authorities to identify and/or create safe routes to school. The intent of these safe routes is to increase the number of those walking and wheeling to and from school which will support the health and wellness of our students.

Where safe routes to a school have been identified, bus transportation services will not be offered by the District.

5. Route and Schedule Changes

Where proposed changes would affect school arrival and departure times, the Secretary-Treasurer shall consult with the principal(s) involved and with the Superintendent of Schools before approval is given. Addition or deletion of routes requires the approval of the Secretary-Treasurer.

To the extent possible, routes will be designed to have students arrive at school no earlier than 30 minutes before the school's first bell and depart from schools no later than 30 minutes after the school's final bell.

Route schedules will be sent to schools and registered riders by June 30 of the preceding year. It is in the best interests of the District and the riders that passenger lists be kept as current as possible.

Good Friday	Fri., Apr. 18
Easter Monday	Mon., Apr. 21
Non-instructional Day – Professional Development (includes CUPE)	Mon., May 12
Victoria Day	Mon., May 19
Last Day of School	Thurs., June 26
Year-end Administrative Day	Fri., June 27

^{*}Nov. 21 & April 10 will remain the Early Dismissal Days; however, the elementary and middle school parent-teacher interviews/conferences may be held at an earlier date if the local school community deems it to be beneficial for communicating student learning to parents.

1 PREAMBLE

In November 2021, superintendent Scott Stinson asked the author, Jim Cambridge, to conduct a review of Edward Milne Community School Society in accordance with School District No. 62 (Sooke) (hereafter SD62) Board policy and regulation B-425. This review is to be conducted every five years before the Board of Education renews its support of the Society.

The reviewer/author is the former superintendent of the district and now works as a consultant to various school districts and the Ministry of Education.

This document builds on the previous report (2015) and incorporates background and historical information from that document and the EMCSS November 2021 Annual report.

Through the review process, all participants gave their time generously to the author. Those providing information were honest and forthright and seemed to hold high regard for the Society while respecting the SD62's desire to conduct a robust review.

2 REVIEW DESIGN

This review involved site visits, documents review, interviews, and a survey to the community, staff, and parents. Over the course of two months, the reviewer visited the school three times, conducted a short survey (Appendix 1), reviewed Society and school district documents, examined financial statements, and interviewed numerous people, including EMCSS Directors, EMCSS staff, school principal, Board of Education trustees, and SD62 staff and leadership. The report contains a mandate review based on the SD62 Board policy and regulation and the Society's mandate as described in the Society's document, observations, recommendations, and a summary.

Complete Society documents, including Financial Statements, can be found in the EMCSS November 2021 Annual Report.

3 COMMUNITY SCHOOL MANDATE¹

Since June 1987, the EMCS Society ("the Society") has worked to build partnerships with individuals and organizations in the community to provide life-long learning opportunities for people of all ages in the Sooke region. The Society oversees educational, cultural, and social programs, projects, and services developed to meet the needs of the community and optimize

¹ Most of this section was provided from the 2015 report and 2021 Annual Report, information has been updated as necessary.

educational outcomes for vulnerable students. As well as sponsoring a wide range of community education programs and fostering regional partnerships, the Society manages the Sooke Community Theatre, acts as a fiscal host for the Sooke Youth Council/Youth Engagement Program and the Sooke Region Literacy Program. The Society is also a member of the Sooke Region Volunteer Centre, Volunteer Victoria, the Sooke Community Health Initiative (Sooke CHI), and the Association for Community Education in BC (ABC).

Mission

It is the mission of the Edward Milne Community School and Society to partner with students, parents, and the community to build a safe, supportive, and challenging learning environment that enables people to make a living, make a life, and make a difference.

Vision

To provide lifelong learning opportunities for people of all ages in the Sooke Region.

Objectives

- 1. To enhance school curriculum and academic support for vulnerable students. through community-based learning opportunities
- 2. To develop community-oriented services at EMCS.
- 3. To expand continuing education program opportunities for students of all ages and provide opportunities for vulnerable students to succeed.
- 4. To access school facilities to develop educational, recreational, cultural, and social programs for the community.
- 5. To foster a sense of pride for EMCS.

3.1 COMMUNITY SCHOOLS IN BRITISH COLUMBIA

Community schools provide an opportunity for local citizens, agencies, and institutions to become active partners in addressing education and community concerns. They bring community members of all ages and abilities together to identify and link community needs and resources in a manner that helps people to raise the quality of life in their community. A community school:

- Increases the use of local public-school facilities
- Integrates and coordinates existing public services
- Maximizes communication between school and community
- Enriches and enhances learning through formal and informal activities
- Provides optimal educational outcomes for vulnerable students
- Improves communication between school and community by providing opportunities for local residents to participate in community activities
- Contributes to local employment and community economic development
- Maximizes the investment by leveraging funds from other sources

3.2 THE EMCS SOCIETY & SCHOOL DISTRICT #62 (SOOKE)

The relationship between the Society, Edward Milne Community School, and School District #62 (Sooke) is cooperative and supportive. Many services are available from the School Board Office that assist the Society's functioning: accounting, media resources, library, and management consultation (re: financial audits, insurance, personnel, litigation, etc.). Trustees are always welcome and do regularly attend Director and Committee meetings. The EMCS Society, in its years of operation, has been very appreciative of the support received from all School District staff to enable cooperative education to exist in Sooke.

Even though the Society is registered as a non-profit Society under the Societies Act, the Society is accountable to the Principal of EMCS for all its actions. The Society must comply with School Board regulations and policies relating to security, liability, rentals, and supervision of its operations. Annually, the Society's operation shall be reviewed by the School District, and every five years the Community School Program shall be evaluated.

3.2.1 School Board Community School Policy

Regulation No. B-425 states:

The Board of School Trustees endorses the concept of community education and supports and encourages the development of community schools in appropriately located geographic areas of the school district.

The Board supports and encourages the development of comprehensive educational-social-recreational programs at each community school.

Specifically, the Board supports the following basic objectives:

- a) To strengthen the existing school program through the greater involvement and utilization of available community resources and the use of the total community, wherever appropriate, as a resource for the development of curricula.
- b) To facilitate school co-operation and co-ordination with private and public community agencies.
- c) To more effectively utilize existing community resources, including schools and other facilities, for desired community programs.
- d) To expand the range of optional learning, participation, and involvement opportunities for children and youth.
- e) To provide involvement and participation opportunities for adults and the promotion of volunteer leadership in all phases of the program.
- f) To increase local citizen involvement in decision-making and leadership aspects of their local community efforts through partnerships, workshops, and courses.

The principle of user-pay for programs and courses not supported by the Ministry will be maintained. Notwithstanding this, the Board of School Trustees may provide limited financial support for the development of community schools.

3.2.2 School Board Administrative Regulations

Regulation No. B-425 states:

Designation of a school as a Community School shall be subject to the following procedures:

1. The establishment of a community school, including the official designation, shall be a Board response to a formal request jointly made by a representative group of parents and/or community members, principal, and school staff.

Approval shall be dependent on such factors as:

- a. A community in which the residents have expressed a desire to have greater contact with, and become more involved in, total school-community life.
- b. A principal who expresses an interest in, and enthusiasm for, community education.
- c. A staff that is interested in community education and is committed to the philosophy that community education expresses.
- d. Existing programs already operating in which community personnel are actively engaged.
- 2. A community school shall be granted that status for a five year period, after which a local review of interest and need must be undertaken.
- 3. A Community School Society (registered under the Societies Act) will be established. The Society shall be accountable through the principal of the school to the Board of School Trustees.
- 4. The Board shall not be responsible for the expenditures of the Community School that are not budgeted for the annual operating budget of the District. Excess funding required for Community School activities shall be provided by the Community School Society and the Society is solely responsible for debts which it incurs.
- 5. The Community School Society shall adhere to all Board policies and regulations relating to such items as security, rental regulations, and supervision in its operation.
- 6. The Community School Society shall establish an approved accounting system for the control of its revenues and expenditures. An annual financial statement shall be issued to the Secretary-Treasurer.
- 7. Official designated community schools shall be entitled to:
- a. A community school coordinator, who may be a teacher or a non-teacher, on the basis of a substantiated request from the school, and who shall be appointed for a three-year renewable term;
- 8. A committee consisting of designates of the Community School Society and designates of the Board shall review and assess annually, the complete operation of the Community School and Society.
- 9. The Community School Society Board of Directors shall be involved in an advisory capacity.

3.3 SOCIETY BOARD OF DIRECTORS & MEMBERSHIP

The composition of the EMCS Society Board is broad-based and reflective of the diverse make-up of the community inclusive of residents, parents, school staff and trustees, and local agencies, organizations, and businesses. The Society is required to have a President, Vice-President, Secretary, and Treasurer. Presently, the Society also has the position of Past-President. The Board of Directors receives a Board Orientation Package [Appendix A: Board Orientation Package] and the President is mentored by the Past-President(s).

The expectations of Board Directors are to:

- 1. Serve a minimum 2-year term on the EMCS Society Board of Directors
- 2. Support the EMCS mission statement
- 3. Attend regular director's meetings and committee meetings as required
- 4. Assist in at least one activity per year
- 5. Initiate and execute special projects

The Society offers membership to any interested parties for \$2.00 per year. Membership is open to people ages 14 and over who support the purpose of the Society and who:

- 1. Are residents, employees, or persons operating a business in the District of Sooke and the area of the Sooke School District that is within the Sooke Electoral Area.
- 2. Have children who attend EMCS.
- 3. Hold a valid receipt for a donation or contribution made to the Society in the 14 months before the Annual General Meeting.

Members vote at the Annual General Meeting, receive regular information about Society events, programs, activities, decisions, and trends that affect and shape the direction of the organization [Appendix B: Current Directors & Members].

4 PERSONNEL²

4.1 ROLE OF THE COMMUNITY SCHOOL COORDINATOR(S)

The Society is managed by two 0.5 FTE Community School Coordinators (CSC) [Appendix C: Community School Coordinator Job Descriptions]. The CSC is recruited and selected by School District #62 (Sooke) and EMCS with input from the Society Board. The CSC is accountable to the EMCS Principal (and in their absence, the Vice-Principal). The Society Board of Directors acts as an advisory board for service delivery and governance. The CSC position is an excluded, contracted, administrative position at EMCS and is a member of the EMCS administration team. The position is full-time for 12 months of the year and is funded by School District #62 (Sooke). Major responsibilities include:

- Program Development
- Staff & Volunteer Management
- Community Liaison/Partnership Building
- Curriculum Enhancement
- Policy Development
- Fundraising/Grant Procurement
- Budget Development/Monitoring
- Marketing & Promotion

² Most of this section was provided from the 2015 report and 2021 Annual Report, information has been updated as necessary.

• Administration

The CSC also currently acts as Treasurer and sits on the Steering Committee of the Sooke Region Communities Health network (SRCHN), a partnership of community members and health & service providers working towards, advocating for, and supporting healthy communities from Beecher Bay to Port Renfrew.

For professional development, the CSC attend the annual provincial conference of the Association for Community Education in BC (ACEbc) as well as local workshops offered by the Sooke Region Volunteer Centre and Volunteer Victoria on grant writing, board development, and community/youth engagement as well as other pertinent courses/workshops.

4.2 EMCS SOCIETY EMPLOYEES

During the school year, the Society employs and contracts 6 to 9 staff members. During the summer months, the Society employs up to 23 staff. Summer requires additional staffing for camps and programs which bring an additional 7 to 12 staff members.

^{*} Job description can be viewed in Appendix D: EMCS Society Staff Job Descriptions

5 SERVICE DELIVERY PLAN³

The Society's framework for service delivery is a partnership model working with people of all ages through the intervention, development, and education phases. It includes literacy, youth engagement, community education, facility rentals, health programs, and school support. This section outlines our current offerings.

5.1 LITERACY PROGRAMS

5.1.1 Play & Learn Summer Camp

Since the summer of 2011, the Society has offered a free 4-week day-camp for 6- to 9-year-old children [Appendix E: 2014 Play & Learn Summer Camp Report & Logic Model]. The camp is a play-based learning intervention program, and the children are from low-income and Aboriginal families. They are referred by their principals and school-based teams because they are not meeting grade level expectations in language and math skills. Healthy lunches and snacks are provided daily because hungry children cannot learn.

The goals of the camp are to:

- 1. Have participants involved in literacy and numeracy activities to enhance their present levels of academic functioning.
- 2. Develop self-confidence and enjoyment towards literacy and numeracy.
- 3. Integrate Aboriginal content and ways of knowing into all the components of the program.
- 4. Minimize barriers to participation by having the camp be free of charge and by including lunches and snacks.
- 5. Involve parents and/or guardians in their child's learning.
- 6. Increase opportunities for positive social interactions with peers and adults.
- 7. Build physical literacy and promote active lifestyle through recreation and structured play.

³ Most of this section was provided from the 2015 report and 2021 Annual Report, information has been updated as necessary.

Every year, the Play & Learn camp improves or maintains the literacy and numeracy levels of each student, setting them up for success in their next school year. The 2021 camp assessed the physical literacy improvements of each student as well, to foster lifelong active living.

5.1.2 Sooke Region Literacy Project

The Sooke Region Literacy Project (SRLP) [Appendix F: Sooke Region Community Literacy Plan: 2014-2015] is managed by the Literacy Outreach Coordinator (LOC). It was created to help build community partnerships and to help create an accessible and sustainable learning community for the area; one that offers choice, fosters lifelong learning, and encourages individuals to reach their full potential. The purpose of the SRLP is to build community and help people in the Sooke Region (Beecher Bay to Port Renfrew) achieve the sense of empowerment that goes along with literacy. Community development work is aimed at enhancing, coordinating, and creating literacy programs in the Sooke Region, from East Sooke to Port Renfrew, making sure that everyone has access to the learning opportunities they need to fulfill their full potential. Sometimes, literacy work provides financial assistance to existing community programs so they can offer childcare, ensuring that parents can participate in a program that has literacy-enhancing components. Other times, it involves talking to people offering community programs to help them add a literacy component to what they already do. It can also involve research in the Sooke Region to determine what programs need to be created or brought in to make sure the needs of all citizens are met. The Sooke Region Literacy Task Force (refer to section 4: Community Partnerships) meets every two months to ensure the work in ongoing and to provide support and guidance to the LOC. The Task Force is also responsible for hiring the LOC.

The SRLP supports 5 Book Bins locates throughout Sooke: one at the T'Sou-ke Health Office, two at the Sooke Family Resource Society, one in Port Renfrew, and one at SEAPARC. This program gets annual funding from the Sooke Rotary Club as well as book donations from the Vancouver Island Regional Library-Sooke Branch and the community. About 150 books per week go out into the community. There are plans to add another Book Bin at SEAPARC and possibly EMCS. Volunteers run this program and work with the local Girl Guides to organize book drives. The SRLP coordinates a preschool story time program called Books for Breakfast that runs once a month in both Sooke and Shirley. This successful program runs from October to May. Each session runs for one hour including time for parents and children to socialize and play. Multiple stories are read, and songs sung according to a particular theme chosen for that month. Snacks and drinks are provided, and each family is given a copy of the featured book, which includes a CD of the song that accompanies the book.

3.1.3 Westshore Region Literacy Project

The Westshore Region Literacy Project (WRLP) is managed by the Literacy Outreach Coordinator (LOC). It was created to help build community partnerships and to help create an accessible and sustainable learning community for the area; one that offers choice, fosters lifelong learning, and encourages individuals to reach their full potential. The purpose of the WRLP is to build community and help people in the Westshore Region (Langford/Colwood/Metchosin/Highlands to Sooke) achieve the sense of empowerment that goes along with literacy. Community development work is aimed at enhancing, coordinating, and creating literacy programs in the Westshore Region, from Langford/Colwood/Metchosin/Highlands to Sooke, making sure that everyone has access to the learning opportunities they need to fulfill their full potential. Sometimes, literacy work provides financial assistance to existing community programs so they

can offer childcare, ensuring that parents can participate in a program that has literacy-enhancing components. Other times, it involves talking to people offering community programs to help them add a literacy component to what they already do. It can also involve research in the Westshore Region to determine what programs need to be created or brought in to make sure the needs of all citizens are met.

The Westshore Region Literacy Task Force meets quarterly to ensure the work is ongoing and to provide support and guidance to the LOC. The Task Force is also responsible for hiring the LOC.

The WRLP supports Lending Libraries located throughout the Westshore community. This program receives book donations from the Vancouver Island Regional Library-Juan de Fuca Branch and from the Westshore community. About 150 books per week go out into the community. Volunteers run this program and work with 1000 x 5 to organize book drives.

The WRLP coordinates a preschool story time program called Books for Breakfast that runs once a month in Colwood at the Military Resource Centre. This successful program runs from October to May. Each session runs for one hour including time for parents and children to socialize and play. Multiple stories are read, and songs sung according to a particular theme chosen for that month. Snacks and drinks are provided, and each family is given a copy of the featured book, which includes a CD of the song that accompanies the book.

3.1.4. 1000X5

1000 X 5 is based on the belief that if a child hears 1000 books by the age of 5, he or she is much better prepared to enjoy and succeed in learning. Wide community participation raises the awareness of the importance of universal early literacy.

To date the project has distributed 53,252 books to families in the Westshore area. The group continues to be optimistic that our project will resume regular operations soon. Through purchases and donations during the pandemic, the group was able to distribute reading materials to the Goldstream Food Bank, some Strong Start centres in the Westshore area, and to "Little Libraries" in the Westshore and Sooke areas.

5.2 YOUTH ENGAGEMENT PROGRAM

The Youth Engagement Program (YEP) was established as the Sooke Youth Council (SYC) in 2008 after a community health forum determined a lack of opportunity for youth in the region to be actively engaged in their community. The SYC was a group of youth ages 13-21 who, under the guidance of the SYC Coordinator (now the YEP Coordinator), facilitated new opportunities for youth to be leaders in grassroots community action and regional decision-making from September to June. Membership began to decline from 2012 to 2014 and the decision was made to revamp the program. It was determined that students were becoming more actively engaged in their community through successful school leadership programs, and that these programs were more accessible as they met during school hours. The students of the SYC were the same students in these school groups, and their workload between the groups was becoming stressful.

The YEP allowed the Society to expand their youth services during the summer months instead of overburdening students during the school year. This also meant that funding could be obtained to provide students with summer jobs. In turn, these students recruit peer volunteers to engage in a variety of activities, from building relationships with local businesses to cleaning up local beaches and providing safe and accessible opportunities for youth to be physically active. This program has been successful in assisting vulnerable and Aboriginal youth ages 13-21 in obtaining jobs and volunteer opportunities, and in offering programming to the underserved age group of 18 to 29-year-old youth.

The YEP has worked on several grassroots projects that have greatly impacted the community:

- The **Youth Friendly Business Project** (2010-2014) provided a 4-year study on how youth impact and are treated by local businesses. The project led to partnership with the Sooke Chamber of Commerce to develop a training program that sets youth and businesses up for success.
- The **Getting It Built: Community Centre Project** (2014) for the District of Sooke helped Council determine the needs of community space, including youth drop-in facilities in the Sooke Region.
- In 2019-2020 a comprehensive **survey** of youth needs was completed by 2 contractors for the Health Schools Healthy people roundtable. The outcomes of this survey have and will continue to inform programming at the district level and our offerings as well.
- In 2021, the Society formed a 'Youth Service Provider' group within Sooke. This group of youth dedicated organizations in Sooke meets quarterly to update one another on upcoming programming, make partnerships, and find synergies amongst our organizations.

5.3 COMMUNITY EDUCATION

Community programs are offered for people of all ages in the Sooke Region to provide opportunities for social interaction, promote active lifestyles and lifelong learning, address barriers to education and employment, and create a welcoming and culturally inclusive space for all learners. Program focus areas are health & wellness, education & certification, literacy, arts & music, and youth & adult drop-in activities.

In 2008, the Society invested in online software to manage facilities and course enrollment. The system, called Book King, is designed to schedule facility bookings, act as a registration system, and track booking and registration data. This software assisted the Society in accurately determining surplus and deficit based on course registration. Since the pandemic shut down schools and community access in March of 2020, community education operated at a deficit. An emergency wage subsidy (CEWS) was used to subsidize the deficit in wages. With the re-opening of the school to the community, the coordinators anticipate 2021-22 will see an increase to community education. To put this into context, 2018 course revenues were over \$25,000, in 2019 they were \$30,000, in 2020 they dipped below \$18,000, and this past fiscal year they were a scant \$1,000. There are now have course offerings, have run our first courses, and have more to come in 2022.

5.4 FACILITY RENTALS

Book King online software is not only helpful in managing course registrations, but it also assists the Society in accurately tracking the number of hours of facility usage outside of regular school hours, and community use of Sooke school fields. In fact, Book King has the capacity to serve all School District #62 (Sooke) facilities.

In the 2020-2021 fiscal year, the total use of facilities in the Sooke region beyond regular school hours was very low due to the COVID-19 pandemic. To give context, the revenue in 2018 was over \$25,000, in 2019 \$18,000, in 2020 \$20,000 and in 2021 less than \$5,000. The facilities are now being booked, though the 2021-2022 year will still be affected as the first bookings take place in October 2021.

As a result of the newly implemented insurance requirement by SD62 (Ministry of Education – Risk Management Branch no longer covers community schools unless the program speaks to the curriculum for school-aged children), many small groups in the region of Sooke are asking the Society to take them on as programs so the insurance requirement of \$5 million in liability coverage is met. The most notable is the Sooke Badminton Club – they have been meeting and playing badminton since the 1940's and have an active participation group. The Society voted in November to accept them as a program, open to the community by drop-in. expect to see facility rentals affected by the liability coverage requirement as smaller groups and one-off performers will not be able to afford it.

5.4.1 Sooke Community Theatre

The theatre is available for rental and is often rented to several specific community groups, many of which make up the Theatre Users Group ("ThUGs") – refer to section 4: Community Partnerships). The group is chaired by the Theatre Coordinator, an employee with the Society who manages the theatre during rehearsals and performances. Regular rentals include Film Awareness Night, Sooke Harbour Players, Sooke Youth Show Choir, and Sooke Dance Studio Productions. Some regular groups ebb & flow based on circumstances outside of the Society's control such as Covid-19, weather related school closures, which have resulted in the loss of regular bookings. Sooke Harbour Players Society is a non-profit theatre agency. It was founded in 1982 as "Stage West Players" and changed its name in 2010.

Sooke Dance Studio Productions books the theatre for holiday performances and year-end recitals. In addition to these groups, the theatre is rented for community fundraisers and events, most recently:

- Sooke Bike Club Film
- Sooke Harbour Players Treasure Island
- Sooke Youth Show Choir Romeo and Juliet
- Tragically Hip tribute band
- African Drum Group

5.5 HEALTH & NUTRITION PROGRAMS

The Sooke Integrated Health Network (IHN) clinical staff refers clients living with the following chronic health conditions to the Society's Health & Nutrition programs:

- Kidney disease
- Hypertension
- Diabetes
- Ischemic heart disease
- Congestive heart failure

- Cerebrovascular disease
- Disorders of lipid metabolism
- Chronic obstructive pulmonary disease
- Depression/anxiety

The Good Food Box & Cooking Out of the Box

The Society is a Community Agency for the Good Food Box (GFB) program. The program is run out of the Fernwood Neighbourhood Resource Group (NRG) in Victoria. Volunteers at Fernwood NRG pack fresh fruits and vegetables, often organic. The Sooke Family Resource Society picks up the bags of fruit and vegetable and the Society pick them up from them, which has curtailed the number of bags distributed, due to space in the vehicle. The Fernwood NRG are looking for another volunteer driver. The EMCS Society distributes an average of 15 bags per month. Clients are provided with healthy recipes and will resume the Cooking Out of the Box program – perhaps next school year. Clients cook a meal with the fresh ingredients found in the box. In the past, an average of 10-12 people participated in this program each month.

5.6 SCHOOL SUPPORT

5.6.1 Sooke Region Curriculum Support

The Society works with the principal and staff to assist the curriculum wherever possible:

- Financial assistance is provided for shared use items such as
 - o Theatre equipment (lighting, scissor lift, sound boards, projector, microphones)
 - o In 2020 new theatre seats were purchased and installed in 2021
 - Weight room equipment
- Financial assistance for Environmental Science education outside the classroom
- Grant writing for equipment and programming for various departments, most recently the Garden Project which many areas tap into.

5.6.2 Vulnerable Student Support in the Sooke Region

The Sooke Region is comprised of students from Beecher Bay to Port Renfrew.

- Snacks and cafeteria munch cards readily available for students throughout the year
- Program funding for equipment as well as First Aid and Food Safe certification
- Projects such as the Play & Learn Summer Camp and Youth Engagement Program
- Employment and job skills training for vulnerable, at-risk, and Aboriginal youth
- Volunteer opportunities for vulnerable youth
- Peer and adult mentorship for vulnerable children and youth to increase social-emotional development
- Books for Breakfast and Book Bin programs directly benefit marginalized families
- Support vulnerable families by providing Good Food Box program

5.6.3 The Garden Project

Throughout the 2020/21 school year, the Garden Coordinator worked 20 hours per week with classes at Belmont, Westshore and EMCS, supporting garden care and engagement in biodiverse food gardens. The garden coordinator also supported the development of a garden at Royal Bay. Accomplishments in this year include:

- Engaging over 500 students in multi-visit, hands-on garden engagement;
- Supporting 25 teachers taking their class outside into school gardens multiple times, including: Foods, Sustainability, Science, Social Studies, Photography, Language Arts, Outdoor Education, Life Skills and PE;
- Hosting Fall Pro D event in partnership with LifeCycles, Farm to School BC and Island Health, which was attended by over 65 educators;
- As an employee of EMCS Society, designing and developing a summer work experience program. As work site supervisor supported students in working with us and developing their hands-on skills while working at the Royal Bay and EMCS gardens throughout the summer;
- Supporting spring garden programs at Colwood and Wishart Elementary;
- Designing seed envelopes and packaging more than 900 seed packs with school grown seeds, which were sold and distributed via schools and Buckerfield's Langford location;
- Producing more than three stuffed panel vans full of food, which was used in school foods and culinary programs;
- Securing \$10,000 in grant funding to support program expenses;
- Securing School District support for our program's continuation;
- Negotiating Memorandum of Understanding between LifeCycles, TOPSOIL, Royal Bay Secondary, EMCS Society and School District 62 to support a TOPSOIL micro-farm installation at Royal Bay Secondary.
- Engaging seven community organizations in supporting SD62 garden programming.

6 COMMUNITY PARTNERSHIPS⁴

The Society's mandate is to build partnerships to strengthen the relationship between schools and the surrounding community. Beyond regular courses, programs, and activities, the Society currently partners with over 25 local organizations to offer a variety of community-based projects and services:

7 OBSERVATIONS

The following observations reflect the reviewer's consideration of the data that was collected from surveys, interviews and through document review.

7.1 Mission and Vision

Crucial to any review is to examine the organizations actions in relationship to its stated Mission and Vision. (Bold Italics are the reviewer's observations)

7.1.1 Mission

It is the mission of the Edward Milne Community School and Society to partner with students, parents, and the community to build a safe, supportive, and challenging learning environment that enables people to make a living, make a life, and make a difference.

In terms of data from the surveys and information gathered through interviews, it is apparent that the EMCS Society's strongest partnership is with the community. To a lesser extent with students, especially EMCS students, and has little partnership with EMCS parents.

7.1.2 **Vision**

To provide lifelong learning opportunities for people of all ages in the Sooke Region.

The data supports evidence that the vision of providing lifelong learning opportunities for people of all ages. This is a strength of the current programming.

7.2 GOVERNANCE

The Society is guided by two separate organizations and their acts, policies, and regulations. Firstly, as a registered Society within the BC Societies Act, they are governed by the Act. This is most notably in the way it prepares its financial statements and the composition and

constitution of the Society and its directors. Secondly, it is governed by the policies and regulations (B-425) of School District #62 (Sooke).

(Bold Italics are the reviewer's observations)

Regulation B-425 provides direction for accountability and reporting structure.

- 1. The Society shall be accountable through the principal of the school to the Board of School Trustees. (see observation 4.a)
- 2. The Community School Society shall establish an approved accounting system for the control of its revenues and expenditures. An annual audited financial statement shall be issued to the Secretary-Treasurer.
 - a. The Financial Statements provided annually are unaudited, although they are publicly available, it is unclear whether these are provided to the Secretary-Treasurer.
- 3. A committee consisting of designates of the Community School Society and designates of the Board shall review and assess annually, the complete operation of the Community School and Society.
 - a. It appears that this committee does not regularly meet to review and assess the work of the Society.
- 4. The Community School Society Board of Directors shall be involved in an advisory capacity as outlined in Section of the School Act.
 - a. This regulation is somewhat ambiguous. It states that the Society board is advisory as outlined in (the) section of the School Act. The school act reference may not be current for community schools, as each school district has a different approach. If the regulation is to mean advisory to the Board of Education, then presumably it is through the previous regulation stating that the Society "shall be accountable through the principal of the school to the Board of School Trustees".
 - b. Somewhat problematic in the regulation referred to above is that de facto, the principal and often a trustee (or two) shall also sit on the Society Board of Directors. This can result in staff and trustees sitting as Society directors voting on motions that are advisory to themselves.
 - c. One method to avoid this conflict, would be to have the principal and trustee(s) attend Society directors' meetings, but not as directors.
- 5. An allotment of \$20,000 from the School District operating budget to offer continuing education programs. The total amount of these funds will be reduced by excess revenues

generated after instructors' fees and costs have been paid. The district's accounting office will provide bookkeeping services as required.

- a. Currently, the district provides substantial funds exceeding \$20,000. These funds come from CommunityLink funds (a special purpose grant), therefore if government should end the CommunityLink program, funding would be required from the general operating budget.
- b. It is not apparent that the district is providing bookkeeping services for the Society, they have had the same private accountant for several years. This arrangement may well be the preferred option but is contrary to the regulation.

7.3 FINANCE

The Society does an admirable job of bookkeeping through its coordinators and external accountant. Revenue for the Society comes from three different sources.

7.3.1 School District 62

- 1.1. The school district structurally provides support for the coordinators' salaries and benefits (approx. \$85,000) and a cash grant of \$5000, annually.
- 1.2. In the 2021-22 school year, support for the Gardening Coordinator has also been provided (approx. \$36,000). Preliminary budget plans are to continue with this support for the 2022-23 school year.
- 1.3. The Society manages the rental of school district property in Milnes Landing. This effectively contributes another \$20,000 to the Society to help support its programming.
- 1.4. The district also offers without a fee, office space, technical, and custodial support for the operation of the office and staff.

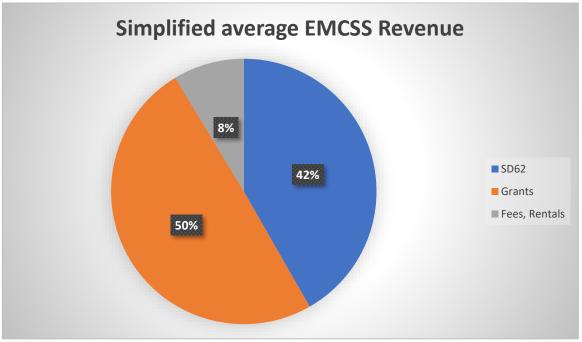

7.3.2 Grants

- 1.1. Aside from the district grants mentioned above, the Society receives grants from both regular major donors and more localized project-based donors.
- 1.2. Structural major donors include BC Gaming Grants, Decoda Literacy Grants, and Government of Canada HRSDC grants.
- 1.3. Specific target-based grants come from a variety of sources including service clubs (Rotary, Lions), local businesses, and individual donors.
- 1.4. Larger non-structural donors (Telus, United Way) are also contributors to specific projects.
- 1.5. Although many grants are counted on annually there may be granters that change their support in the future.

7.3.3 Other Revenue

- 1.1. Rental of school district rooms and property. The Society manages the community rental of rooms and field space for the district, it retains the revenue to support its programming.
- 1.2. Course fees. The Society collects a portion of course fees collected from outside providers. It also collects fees for participants in its own programs (i.e Makerspace)

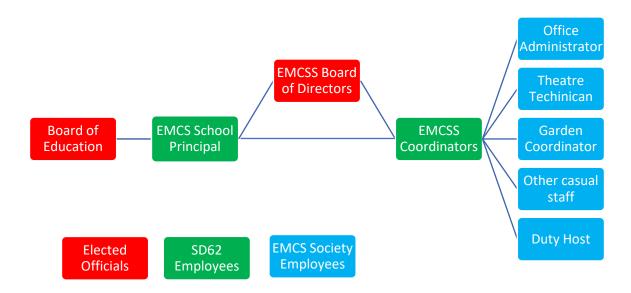

1.3. Membership. The Society collects a small fee (\$2) for annual membership

*Due to the pandemic fees and revenues have unreliable for the past 18 months, therefore this graph is a simplified average of the preceding few years.

7.4 REPORTING

The reporting structure of the Society is more complex than most. Given that school district policy and regulation state the Society board as advisory, the Society gives advice to the principal and then through to the trustees. The coordinators are district employees who report to the school principal and work extensively with Society directors. All other Society employees work for the Society, not the Board of Education. This is best understood in the diagram below. Although this reporting relationship can be clearly understood, best practice would be to review this process regularly. Especially with new Society directors or members.

7.5 MAKERSPACE

The Makerspace in the school is managed by the Society. Makerspace is an idea that has gained interest and momentum in the last five years, where school facilities are shared with community members. Most often these are shops, tech, and textile rooms. The community contributes money for extra equipment which becomes available for student use.

The EMCSS Makerspace was initiated through an anonymous gift from a local citizen. Further supported through grants from provincial organizations. Not surprisingly, it was one of the first programs to shut down during the pandemic. Currently, the shop space where the Makerspace is situated is also used as storage for the wood and metal programs and as an informal overflow space when required by the school's shop teachers.

A safety audit was done in July of this year for all the shops in EMCS. One of the findings was that the classroom space was being used for both metal and wood projects and that the extraction system can only handle one type of shop activity. The district's Health and Safety manager has further commented that:

- Currently equipment is moved around the space to accommodate extraction shortcomings.
- There should be a robust communication protocol between day and night users, sharing issues related to equipment and safety.
- Currently there is a significant amount of equipment in a small space. Floor safety markings are required around equipment.
- Training (certification) is required for the Makerspace coordinator.
- How does the Makerspace coordinator ensure that public users are trained to use equipment? Is there a protocol?

- A hazard check should be performed every morning prior to students using the Makerspace shop.
- Currently there is not an identified Makerspace facilitator.

7.6 GARDEN COORDINATOR

By all accounts this program has been very successful, with increased interest in food security, balanced nutrition, and organic food production, both students and the community have subscribed to this program. Further, foods and culinary programs have seen school gardens as a necessary teaching element of their programs.

The gardening coordinator position has grown to cover all four secondary schools in the district. Currently spending one day a week at each school. As well, as gardening coordinator assistant has been hired to assist in the summer months, enabling an interested student in obtaining work experience (WEX) credits toward their graduation certificate. The coordinator has an approximate budget for supplies and travel \$300 for monthly expenses.

Funding for this position has been inconsistent, starting with a small grant, then further grant applications were applied for to support expansion. The school district is currently paying the salary of the gardening coordinator through CommunityLink funds.

There is strong desire among all users (schools) to increase the garden coordinator to full time, currently he is working 25 hours per week.

This program is interesting in that it directly impacts all secondary schools in the district, while most community school programming is directed at Milnes Landing.

Overall, the Gardening Coordinator is a good example about how the Society can add value to the programming of the district, which might be more difficult if attempted within its current employment structures and relationships.

7.7 COVID-19

As with every other aspect of the school district, the COVID-19 pandemic has had a significant impact on the operations of the Society. As a non-essential service, Society programs were the first to shut down and the last to open. EMCSS staff have done an admirable job to continuing the few services it could and maintain interest in the Society and the past programs.

The challenge will be to see if the past programs can simply be started up again or whether the momentum that had was lost and new substitute programs offered.

7.8 NEW OPPORTUNITIES AND OLD LIABILITIES

The Society must constantly examine its programming and critically ask if it is still meeting the mission and mandate outlined in the Society documents. Looking at each current programming critically on a regular schedule is a healthy way to ensure that the offerings remain relevant.

New opportunities must also face critical examination. The Society through its coordinators, is also in a unique position to examine new programming opportunities and grant prospects. The coordinators must continue to keep this as a critical element of their positions.

8 SURVEY RESULTS

The surveys were given to two distinct groups. The first was parents and staff of EMCS, the second was more broadly delivered to the community at large. The questions in both surveys were the same. The reason for the two surveys was that the mission statement references, students, parents, **and** the community.

It is the mission of the Edward Milne Community School and Society to partner with students, parents, and the community to build a safe, supportive, and challenging learning environment that enables people to make a living, make a life, and make a difference.

Participation in the survey was mixed, 64 surveys were opened by staff and parents. Of that 25% were parents, 40% were staff and remainder did not identify or did not complete the survey. In the community survey 17 surveys were opened by community members, while 10 did not complete the full survey. The small sample size of the community survey will not result in a true picture of the community's view, though the comments left by respondents is instructive.

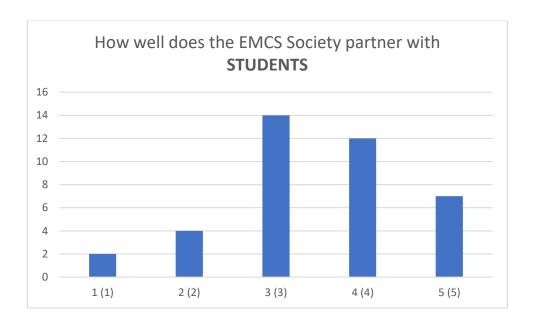

8.1 PARENT-STAFF SURVEY RESULTS

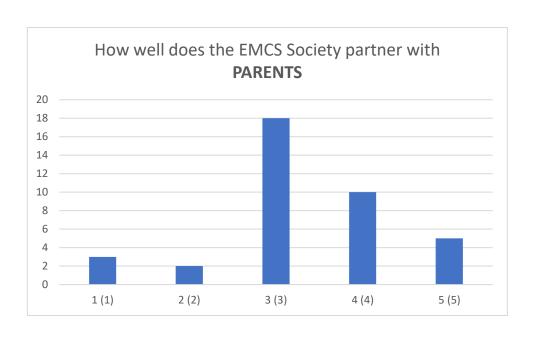

Below you will find charts representing responses to the questions. All responses are scaled from 1-5, with the following descriptions.

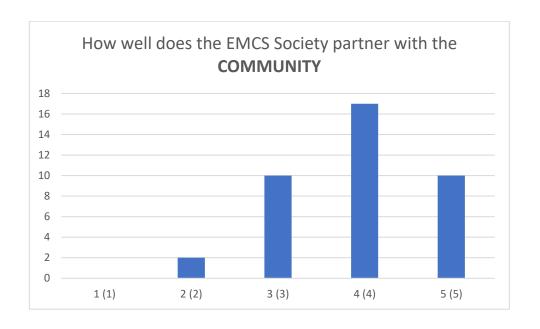

Very Dissatisfied	Dissatisfied	Neutral	Satisfied	Very Satisfied
1	2	3	4	5

8.1.1 Section 1-EMCSS Partnerships with various sub-groups

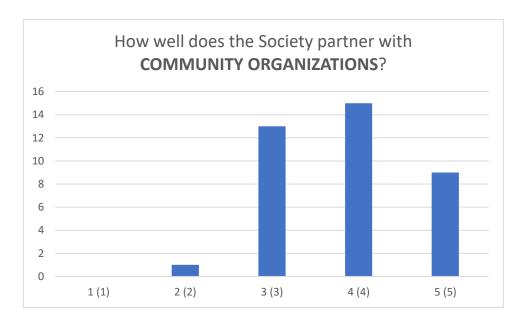

The following charts show respondents views on the strength of the Society with its various partners.

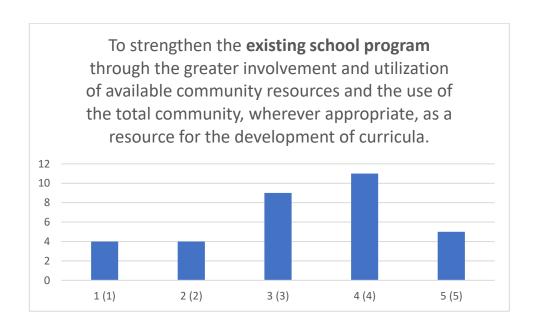

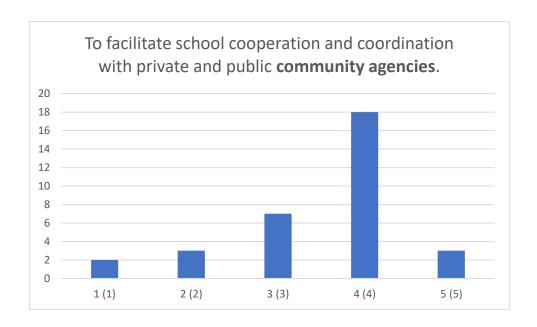

In terms of partnerships, survey results show a relationship with all three groups. The strongest support is for the community and the least supported being EMCS parents.

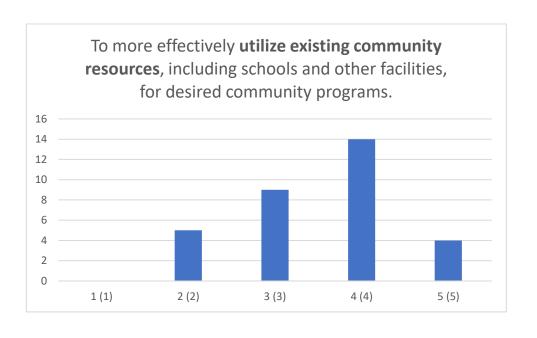

Generally, respondents viewed Society partnerships positively, with the overwhelming majority believing that the Society partnerships were from neutral to strongly agree. EMCS parents and students are the least impacted, potentially identifying an area for growth.

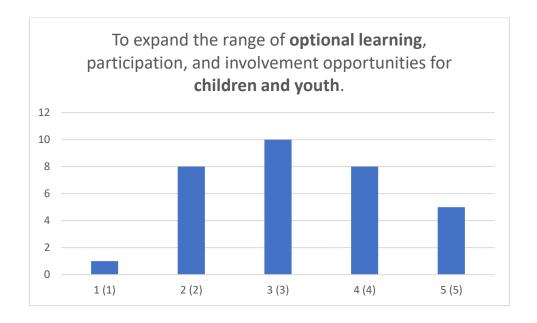

8.1.2 Section 2-School District No. 62 (Sooke) Objectives for the Society

The following charts show respondents views on the Society meeting the stated objectives as per the school district.

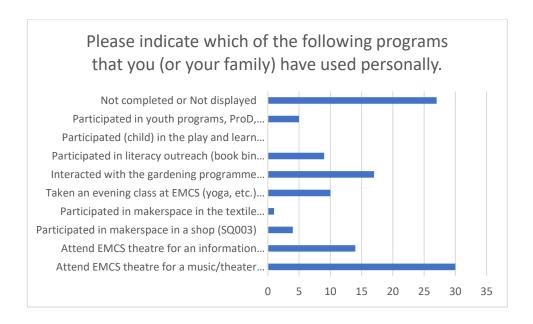

8.1.3 Section 3 - Personal use

8.1.4 Section 4-Comments

The following are verbatim comments from the survey (all have been included)

• The school Society has enormous potential that isn't being used and seems to have lessened in the last 5-8 years. Would love to see someone passionate take the reins, especially as our community has grown so much

- I think it would be a good idea to have an acre of land by the farm in town that is going to build homes there. Ask the builders to donate green space so kids at Journey could have the opportunity to do hands on learning in science by building and running a garden and selling produce. The farm is located across from the new library. Perhaps the historical Society could pitch in to make this happen as well as the district of sooke and lions club royal bank and other local businesses.
- I'd say this review is ill-timed due to the pandemic. I have not seen the Society functioning as it ordinarily would over the last two years, so I therefore do not feel qualified to comment on any of the questions herein. In general, I am highly supportive of EMCS' unique community-school context. It's a fantastic idea to open the building to the entire community and provide space for education for all. In fact, I'd like to see more interaction between high-school students and evening community students where possible. Our space has great potential to facilitate a culture of multi-generational and collaborative education.
- I don't see any direct impact on students in need or the provision of programs for students. The Society appears as a community element with little connection to the school beyond sharing the physical space and resources.
- I think the program is very limited, we could some more with flexible times, so people that work different hours can participate as well
- i really appreciate the first aid courses. I do not see emcs Society adv at all anywhere???
- For Senior Girls and Junior girls volleyball the community office lady, Barb, was PHENOMENAL in the booking process all season. It was not only easy and accessible to make bookings, but there was flexibility and future planning offered as well, which is great!!
- My answers have been affected by the current pandemic, regardless I feel that the program office does not offer a lot to our community in comparison to the cost and space to staff it. The major component of the program office appears to be to book the outer zone facilities for user groups and that could be done by existing staff who are already doing this work from our district facilities office.
- I have not had any interaction with the Society as a parent, nor has my student directly benefitted from the Society. To my knowledge they are a resource for community workshops and classes and the connection to the school system revolves purely around the use of physical space and resources.
- In general, I feel that the community school Society provides community access and engagement to EMCS for the broader community. I specifically feel that the new garden education programs are both innovative and practical, finding new ways to connect learners to food systems, nature, and the broader community. While not directly involved, I have heard that the literacy camps in the summer are important and enjoyable. I also feel that the Society has potential to enhance community engagement and reinvigorate partnerships with local NGOs, businesses, and user groups.
- I don't feel like there is a strong connection between the Society and the school. Some staff members have strong relationships and use it effectively, but the majority don't know what is available, or what is offered. I have worked at EMCS for a while now and have not used it to supplement or complement my teaching because I don't know what programs are available, or how to access the,. I'm sure the answers are available to me, but I do not have the time to do all the legwork necessary. It seems as though each year the totality of interaction between the Society staff and teaching staff is a brief introduction at the September staff meeting that amounts to the Society saying, "We have stuff available to you, come find out what it is," followed by periodic reminders from school admin that we have the Society as a resource, but no one every communicates what they offer to classrooms and curricula.
- I would like to learn more about what the Society offers for students and school staff.

- I'm sorry that my survey is pretty blank. I actually have never heard of you, and know very little about you. I have lived in Sooke for 20 years, I have one child graduated from EMCS (went there the whole time) and one in grade 10 so I'm both a bit embarrassed and confused that I hadn't heard of the Society
- I would love to see more social/classes outside of school hours dedicated to teens and their interests as there is a gap, or missing programming for 14-16 year olds. More movie night, dyi arts and crafts, paint nights, make your own beauty products, video game competitions, teen yoga, singing lessons, international nights...

8.2 Public Community Surveys

As mentioned at the beginning of this section, 17 surveys were opened, 10 were not completed, resulting in 7 complete surveys. These data will not give a true picture of community opinion of the Society. The survey results of the 7 respondents roughly matched the responses from the Parents-Staff survey with slightly stronger support for community connection.

Given the time of the year (close to Winter break), and the pandemic (resulting in EMCSS programming being greatly diminished) this result is not surprising. However, it was felt that it was very important to ensure that any community member that had an opinion about the Society should be given an opportunity to express those thoughts. Most interesting from this groups were the comments, which are listed below in full.

8.2.1 Public Survey Comments

- There must be a way or process to attract additional Society members. Possibly by making presentations to various groups. Chamber, Lions, Rotary, Sooke Community Choir, Evolution Choir, various clubs and organizations, to expound on the value of the EMCS Society and attracting new members for the betterment of the Community.
- The Society could conduct a survey to discover if communities such East Sooke, Shirley, Otter Point would use learning opportunities in their area.
- It is good to see EMCS staff involved with other non-profit organizations in the community. It is extremely beneficial to have their input.
- The community has several organizations providing activities and/or services for youth, but no recognized "champion" that is consistently advocating for youth, youth services or youth programs in Sooke. Could EMCSS be a recognized leader and be that champion?

9 **RECOMMENDATIONS**

The following list of recommendations is based on the observations listed above.

9.1.1 Governance

- Clarify that trustees and the EMCS principal are **not** voting members of the Society. They attend directors' meetings for their own knowledge and understanding.
- The Society provides **advice** to the principal who represents the Board of Education.
- Consider **reviewing** policy and regulation B-425 to see if requires amendment to meet current needs.
- The regulation states that a committee should be convened **annually** to assess and review the operation of the school and Society. This should be implemented.
- Actively encourage diversity and representation on the Board of Directors. The Board may wish to consider the inclusion of groups not currently represented on the Board. The inclusion of an **indigenous** director, **student** director, school **staff** director, and school **parent** director would help the Board work toward its mission (*It is the mission of the Edward Milne Community School and Society to partner with students, parents, and the community to build a safe, supportive, and challenging learning environment that enables people to make a living, make a life, and make a difference.)*
- Schedule an annual presentation to the Board of Education, to keep trustees apprised of the work of the Society.

9.1.2 Reporting Relationships

- Society employees report to the coordinators. This should remain.
- The coordinators report to the school principal and have an informal reporting relationship with the Board of Directors. **This arrangement is appropriate**.

9.1.3 Finance

- Currently, SD62 directly funds the positions of coordinators (see choices in summary).
- SD62 also provides indirect funding to the Society which helps fund the Gardening Coordinator. **This arrangement should remain distinctly separate**, to ensure that the coordinator is not an employee of SD62.
- All SD62 funding is from the CommunityLink fund. **Re-examine whether the Board wishes to continue with the current funding structure.** Although these funds have been supported by government for many years, they are not **structural** in the provincial funding allocation plan. Different management of these funds could advocate for different priorities in the future. This could be a potential liability to SD62 if not considered (see choices in summary).

9.1.4 Makerspace

- Consider moving the program from a "drop-in" format to a course-based format (i.e., sixweek 3D printing course). Charge a fee for the course and gauge whether there is interest in drop-in days after building some success.
- **Set a time limit for uptake**, if there continues to be low interest, cancel the program, and move on to another initiative

9.1.5 New programs

• Consider exploring daycare and **before and after school programs** that have been used in the past. Often regular staff in the school can provide a good base of their own children for a daycare program. It would also be an attraction for some teachers to want to teach at EMCS.

• Membership drive

The Society should put some sustained effort into a membership drive to increase participation and provide a broad base of potential directors to volunteer on the Board of Directors.

• School/Student Participation

Consider adding teacher and student directors to the Board of Directors. Another idea would have the coordinator(s) attend regular EMCS staff meeting, with a standing agenda item.

10 SUMMARY

The Edward Milne Community School Society has been in place for over 34 years. The operating principle of the Society is dynamic in responding to change in education and community needs and expectations. The Society has done an admirable job in acting to meet the needs of the community. This has been especially evident during the current world pandemic and the impact that public health measures have had upon programming.

The Society, by its nature, **must** respond to change. Past initiatives such as the **whale skeleton** and the **long boats** projects will run their course and appropriately be replaced by new initiatives. Currently the documentary on the history of the Society and the whale skeleton (Tale of a Whale) is a good example of an appropriate pivot during pandemic times. The Society must have the foresight to expand to fresh programs, but also the courage to cut programming that has run its time.

In terms of value, the Society can be measured in several distinctive ways. With any value proposition there are a variety of lenses which it can be viewed. Most relevant in this case are **financial stability**, **meeting community need**, and **corporate/community agency**.

Financially, the Society receives approximately half of its income from School District 62. Although not strictly adhering to policy and regulation (i.e., audited financial statements, \$20,000 district contribution), there is abundant evidence that expenditures are well accounted for, and that the Society Board has a good understanding of their finances which is provided by staff and the external accountant.

In terms of meeting community needs, the Society provides adequate programming, but even more importantly, acts as a community incubator for ideas and programs which may start as a Society program and then gain independence and flourish on its own (i.e., SRCHN).

In terms of meeting school needs, the Society allows the district (school) to operate programming and services that which might be difficult within its regular structures. By way of

example, the gardening coordinator is an employee of the Society, as well as the theatre technician. Both positions are unique, require specialized skills, and often operate during non-typical school district hours. It would be difficult for SD62 to employ these positions in its employee group structure.

Politically, the Milnes family of schools has always been geographically separated from the Royal Bay and Belmont families. With the rapid growth of student population in Colwood and Langford, naturally new schools and additional programs have been added to those families. They are at a scale where additional offerings make sense because of increased numbers. Growth in Milnes Landing has been slower. In terms of agency and self-determination, having a community school in SD62 is distinct to Edward Milne, there is naturally a certain amount of pride and identity because of this uniqueness.

The essential question that faces the school district is the financial support provided to the Society. The district offers approximately half of the revenue that the Society requires to operate. The decision to fund the Society through CommunityLink funds was made many years ago. The original rationale was that when the province removed community school funding it was replaced with CommunityLink. This made sense at that time. Through the decades, CommunityLink funds have been focussed on vulnerable learners, by providing food programs, extra support for literacy, numeracy, and health. The Society has tried to adapt to the CommunityLink mandate, by offering programming such as the Play and Learn Summer camp, coordinating the Westshore and Sooke Region Literacy Projects, and 1000 X 5 pre-school book programs. The answer to this question can be reduced to three choices:

- 1. Continue funding EMCSS through CommunityLink funds. The advantage of this choice is that it is the status quo and has been working satisfactorily for decades. The disadvantage to this choice is that CommunityLink funds are fixed, not tied to enrolment growth and based on an old formula that is unlikely to change. The second disadvantage is that it also takes funds that could be used to further support children's foods programs more directly.
- 2. <u>Fund EMCSS from regular operating funds.</u> The advantage of this choice is that it can be structurally built into the budget. A second advantage is that this allows more CommunityLink funds to be available for vulnerable students. The disadvantage of this choice is the obvious need to find additional resources from the operating budget, where all funds are needed for essential use.
- 3. Cancelling the support of the Society. The advantage of this choice is that is it makes available further funding for vulnerable students through CommunityLink and does not burden the current operating budget with an additional expense. The disadvantage of this choice is the loss of the Society (and programs) that provides significant services to the community of Sooke. In terms of confidence in public education, school districts usually make major program cuts at a time of significant funding cuts or deficits. It may not be obvious to the public why these cuts were made in a time when the district is not in financial stress.

Finally, at the risk of repeating the obvious, COVID has significantly impacted the Society's ability to operate. Judging the efficacy of the Society and its programs may not be fair at this time. There are significant changes and improvements that can be and should be implemented as mentioned above. These would be worthwhile enhancements to the Society offerings.

11 APPENDICES

11.1 PARENT/STAFF AND COMMUNITY SURVEY

Below is a copy of the text from the online survey and a summary of questions asked.

EMCS Society Review

Thank you for participating in this survey, your input is valuable in guiding the future direction of the Society. Every five years School District 62 (Sooke) policy calls for a review of the Society, this survey will serve as one element of the data that will inform this review.

Since June 1987, the EMCS Society ("the **Society**") has worked to build partnerships with individuals and organizations in the community to provide life-long learning opportunities for people of all ages in the Sooke region. The Society oversees educational, cultural, and social programs, projects, and services developed to meet the needs of the community and optimize educational outcomes for vulnerable students. As well as sponsoring a wide range of community education programs and fostering regional partnerships, the Society manages the Sooke Community Theatre, acts as a fiscal host for the Sooke Youth Council/Youth Engagement Program and the Sooke Region Literacy Program. The Society is also a member of the Sooke Region Volunteer Centre, Volunteer Victoria, the Sooke Community Health Initiative (Sooke CHI), and the Association for Community Education in BC (ACEbc).

11.1.1 Section 1 - Mission

It is the mission of the Edward Milne Community School and **Society** to partner with students, parents, and the community to build a safe, supportive, and challenging learning environment that enables people to make a living, make a life, and make a difference.

Please score and/or comment on how well the **Society** is achieving the partnerships described above. Score from 1-5:

Very Dissatisfied	Dissatisfied	Neutral	Satisfied	Very Satisfied
1	2	3	4	5

- How well does the EMCS Society partner with the following groups. (Students, Parents, Community)
- How well does the **Society** partner with community organizations?

11.1.2 Section 2-School District No. 62 (Sooke) Objectives for the Society

Please score and/or comment on how well the **Society** is achieving the objectives outlined in school district policy.

- To strengthen the **existing school program** through the greater involvement and utilization of available community resources and the use of the total community, wherever appropriate, as a resource for the development of curricula.
- To facilitate school cooperation and coordination with private and public community agencies.
- To more effectively utilize existing community resources, including schools and other facilities, for desired
 community programs.
- To expand the range of optional learning, participation, and involvement opportunities for children and youth.
- To provide involvement and participation opportunities for adults and the promotion of volunteer leadership in all phases of the program.
- To increase local citizen involvement in decision-making and leadership aspects of their local community efforts
 through partnerships, workshops, and courses.

11.1.3 Section 3 - Personal use

Please indicate which of the following programs that you (or your family) have used personally.

- ☐ Check all that apply Please choose **all** that apply:
 - Attend EMCS theatre for a music/theater event
 - Attend EMCS theatre for an information meeting/movie night/etc.Participated in makerspace in a shop
 - Participated in makerspace in the textile roomTaken an evening class at EMCS (yoga, etc.)
 - Interacted with the gardening programme (purchased seed, food)
 - Participated in literacy outreach (book bin program, books for breakfast, summer literacy event, 1000X5 program)
 Participated (child) in the play and learn summer camp
 - Participated in youth programs, ProD, spring break camps, mountain bike camps etc.
 - How valuable are the special projects supported by the Society? For example, replacing the theatre seats, and commissioning the documentary "Tale of a Whale"?

11.1.4 Section 4 - Comments

Please take this opportunity to comment on the contributions that the Society has made, areas where it could grow or any otherinformation that you feel would like to share for this review.

11.2 EMCSS JOB DESCRIPTIONS

The following three job descriptions describe the regular **office** positions in the Society. Other positions such as duty host, theatre technician, literacy coordinators etc. are hired by the coordinators on a personal contract basis and report to the Society board through the coordinators. The two coordinators are employees of SD62, the office assistant is an employee of the Society.

11.2.1 COMMUNITY SCHOOL <u>ADMINISTRATIVE</u> COORDINATOR

Position

The Community School Administrative Coordinator is a leadership position with the Edward Milne Community School Society. The coordinator will work in partnership with The Community School Program Coordinator and Edward Milne Community School to establish, maintain and grow effective programs that directly foster strong families and deepen community engagement. The Administrative Coordinator will play a critical role in creating a healthy school and community environment that supports all students and families, including vulnerable students.

The EMCS Administrative Coordinator is accountable to Sooke School District, Edward Milne Community School, and the EMCS Society Board of Directors. The Administrative Coordinator is a part-time, Sooke School District Employee who reports to the Principal of EMCS. The Administrative Coordinator maintains membership, and participates in the Association of Continuing Education BC, and other related professional associations as appropriate. This is a part-time, excluded, contracted administrative position that works for 12 months of the year, with flexible hours, in accordance with Board Administrative Procedure #8 for Exempt staff. The regular working days for this position will be Wednesday afternoons, Thursdays and Fridays.

MAJOR RESPONSIBILITIES

1. Theatre and Literacy Program Development

The EMCS Community School Administrative Coordinator is the primary liaison between the community with regard to theatre user groups. Serves as the program and event manager for the school's community theatre. Leads THUGS (Theatre User Groups) and oversees the Theatre Coordinator. This role also oversees the Literacy Coordinator position and is in the leadership role for associated programming, including the Play and Learn Camp. Program development is to be executed within Sooke School District and Edward Milne Community School policies, objectives, goals and EMCS Mission Statement.

2. Staff Management

Recruit, train, supervise and evaluate Society staff. For all personnel activities, the Community School Administrative Coordinator is to work collaboratively with the Society Directors and School Administration.

3. Community Liaison/Partnerships

Facilitate the development of cooperative working relationships between the community school, community groups, government and businesses. The EMCSS Coordinator fosters a strong sense of engagement from Directors and Citizens in community school programs and activities.

4. District/School Partnerships

To work cooperatively with all Edward Milne Community School staff to facilitate the use of community resources and materials to enable extra-curricular enrichment and experiential learning. This includes, programming that directly and indirectly supports healthy youth and families; management of theatre space out of regular school hours. The EMCS Administrative Coordinator works collaboratively with a wide range of Sooke School district staff including: EMCS staff, District Finance, and Aboriginal Education.

5. Fundraising/Grant Procurement

Under the direction of the Society, seek and obtain additional funds to support the theatre and literacy programs. This role is also responsible for the Annual Gaming Grant.

6. Budget and Contract Development/Monitoring

Work cooperatively with Society directors, Society bookkeeper, accountant, and school administration to develop and monitor budgets, review quarterly financial report. Prepares and provides financial information for the Annual Report. Manages contracts with partner groups (including, but not limited to: IHN, HRSDC, SEAPARC).

7. Administration

Undertake School District 62 and Society administrative duties including supporting the EMCSS Board, the oversight of Society finances and liability, the management of the Society's records, the Society's legal obligations, and ensuring that SD62 policy is followed. The EMCS Coordinator sits on all Society committees. The EMCS Administrative Coordinator prepares draft policies for the Society and program office operation for Society directors and school administration discussion, review, and implementation. The EMCS Administrative Coordinator attends EMCSS board meetings.

KNOWLEDGE AND SKILLS:

- A commitment to the Community School Philosophy.
- Formal training and/or experience in Community education/program development.
- Demonstrated ability to work as a member of a collaborative team.
- Demonstrated ability to communicate effectively with multiple stakeholders.
- Demonstrated leadership and organizational capabilities.
- Demonstrated communication and interpersonal skills.
- Demonstrated administration skills, including finance and budget development.
- Effective experience in fundraising, grant writing, marketing, and promotion.
- Training experience and knowledge of secondary curriculum would be beneficial.
- Experience working with theatre and other culture activities would be an asset.
- Demonstrated ability to build strong relationships with community.
- Ability to prioritize and see projects through to completion.

11.2.2 COMMUNITY SCHOOL PROGRAM COORDINATOR

Position

The Community School Program Coordinator is a leadership position with the Edward Milne Community School Society. The Program Coordinator will work in partnership with the EMCS Administrative Coordinator and Edward Milne Community School to establish, maintain and grow effective programs that directly foster strong families and deepen community engagement. The coordinator will play a critical role in creating a healthy school and community environment that supports all students and families, including vulnerable students.

The EMCS Program Coordinator is accountable to Sooke School District, Edward Milne Community School, and the EMCS Society Board of Directors. The Program Coordinator is a part-time, Sooke School District Employee who reports to the Principal of EMCS. The Program Coordinator maintains membership, and participates in the Association of Continuing Education BC, and other related professional associations as appropriate. This is a part-time, excluded, contracted administrative position that works for 12 months of the year, with flexible hours, in accordance with Board Administrative Procedure #8 for Exempt staff. The regular working days for this position will be Mondays, Tuesdays, and Wednesday mornings.

MAJOR RESPONSIBILITIES

1. Program Development

Initiate, develop, plan, promote, implement, supervise, and evaluate community education and special programs/events, working collaboratively with school/Society staff and other appropriate community groups. Program development is to be executed within Sooke School District and Edward Milne Community School policies, objectives, goals and EMCS Mission Statement. Programs will include, but not be exclusive to, Makerspace, Adult Continuing Education, Youth Athletics, Youth Engagement, IHN and SRCHN partnerships.

2. Volunteer Management

Recruit, train, supervise and evaluate Society volunteers. In this role, the Community School Program Coordinator is to work collaboratively with the Society Directors and School Administration.

3. Community Liaison/Partnerships

Facilitate the development of cooperative working relationships between the community school, community groups, government, and businesses. The EMCSS Program Coordinator fosters a strong sense of engagement from Directors and Citizens in community school programs and activities.

4. District/School Partnerships

To work cooperatively with all Edward Milne Community School staff to facilitate the use of community resources and materials to enable extra-curricular enrichment and experiential learning. This includes programming that directly and indirectly supports healthy youth and families; management of space out of regular school hours, including makerspace use and

supporting athletics. The EMCS Program Coordinator works collaboratively with a wide range of Sooke School district staff including: EMCS staff, Continuing Education, Aboriginal Education, and the Healthy School, Healthy People Committee. The EMCS Program Coordinator attends EMCS staff meetings as arranged with the EMCS Principal.

5. Fundraising/Grant Procurement

Seek and obtain additional funds to supplement and expand community programs and support the school's mission. This includes special projects and proposal writing.

6. Marketing and Promotion

Responsible for all marketing, including program advertising, website, social media, SEAPARC advertising and the annual report. In the lead role for strategic planning.

KNOWLEDGE AND SKILLS:

- A commitment to the Community School Philosophy.
- Formal training and/or experience in Community education/program development.
- Demonstrated ability to work as a member of a collaborative team.
- Demonstrated ability to communicate effectively with multiple stakeholders.
- Demonstrated leadership and organizational capabilities.
- Demonstrated communication and interpersonal skills.
- Demonstrated administration skills.
- Effective experience in fundraising, grant writing, marketing, and promotion.
- Training experience and knowledge of secondary curriculum would be beneficial.
- Demonstrated ability to build strong relationships with community.
- Ability to prioritize and see projects through to completion.

11.2.3 COMMUNITY SCHOOL OFFICE ASSISTANT

Responsible to: Community School Coordinator(s)

Performance Responsibilities - Programs

- Community Education Program Development and Support.
- Research, and recruit instructors for non-credit programs.
- Assists with contacting, interviewing, and setting up contracts with non-credit instructors.
- Assists with production of community education program guide & advertising.
- Coordinates student evaluation of courses.
- Ensures participants receive required pre-course information and learning materials.
- Processes course payments, reimbursements, and invoicing.
- Updating website (WIX based site)
- Advertise on social media and help poster around town.

Community Use of Facilities

• Issues permits, prepares schedules, and books equipment and custodial supports for community use of Sooke school facilities.

- Coordinates, maintains, and distributes weekly facility use schedule.
- Liaises with community school coordinator, principal, teachers, users, custodial and District staff to plan and ensure smooth daily operations.
- Supports a broad range of special events, workshops and meetings as required.
 Prepare invoices and processes payment.

Clerical Support

- Provides front office reception.
- Responds to enquiries re: courses and facility rentals.
- Processes course registrations and prepares receipts.
- Maintains community programs class lists.
- Receives monies in cheques, cash and via point-of-sale terminals.
- Contacts and liaises with school district IT department and Bookking software to overcome computer and software difficulties.
- Provides referrals to other service providers/agencies.
- Opens and closes building as required.
- Assists with setting up office procedures and records for program registration, program statistics, program evaluation, and facility use.
- Assists with developing & maintaining efficient processes for taking program registrations, receiving monies, issuing receipts, and administering refunds.
- Orders office supplies and equipment as necessary.
- Manages general office duties to support the Society.
- Performs clerical duties such as course certificates, deposits, word processing, desktop publishing, letters, reports, permits, filing and other related duties.
- Creates flyers, posters, and other advertisements.
- Creates content and advertisements on social media channels including Facebook, Instagram, & Twitter
- Accesses petty cash account as required, and float, doing reconciliations/requisitions when necessary.
- Makes bank deposits as required.
- Works closely with Duty Host(s) and other Society staff.

Quarterly Reporting 2021-2

Q2Feb 2022

Introduction

The district is committed to regular reporting in relation to its Strategic Plan and in alignment with the Framework for Enhancing Student Learning. The Board of Education, through motion, has directed staff to bring quarterly reports on progress related to the Strategic Plan and student outcomes forward for information. The district accountability process links strategic plan outcomes and Ministry of Education student success metric reporting through a continuous improvement lens.

Data and evidence from a variety of sources becomes available at various times throughout the school year and are reported to the Board at key intervals. Quarterly reports will be utilized as the base from which the Board's annual report will be completed.

Data available this quarter are:

•	Student Enrolment/Demographics	Page 2
•	Grade-to-Grade Transition	Page 10
•	Student Satisfaction	Page 12

Student Enrolment/Demographics

This section will explore: enrolment; community demographics; students with indigenous ancestry; Foundation Skills Assessment (FSA); and the five-year completion rate.

Background

School District 62 (Sooke) is one of the fastest growing districts in BC. The 2021-22 School Year provided us well in excess of the numbers of new enrollments that had been projected: while we expected 400 new students, there were in fact 827.

Data has recently been released by the Ministry on Student enrolment and demographics, including information on the <u>Aboriginal How Are We Doing (HAWD)</u> report.

Enrolment

Current enrolment in SD62 stands at 12,351 with 1385 of those students identifying as Indigenous. A number of our students (1689) have special needs. The headcount at school levels is 5534 domestic students at elementary school, 2701 domestic students at middle school, and 3255 domestic students at secondary school. We currently have 246 international students; this number shifts over the year as some students don't come for the whole school year.

SD62 Enrollment 2021-22

All students	12,351
Students identifying as indigenous	1385
Students with special needs	1689
Headcount – Elementary	5534
Headcount – Middle	2701
Headcount – Secondary	3255
International Students	246

Source: B.C. Education System Performance - Sooke School District: Contextual Information (gov.bc.ca)

Community Demographics

Compared to all BC Public Schools, in Sooke School District, the unemployment rate is lower, a lower centage of people have post secondary credentials, there are about the same percentage number of lone parents, the median family income is slightly higher, and the district as a whole is a lot less densely populated.

	Unemployment Rate	Percentage of 25-64 with Post Secondary Credentials	Percentage of Lone Parent Families	Median Family Income	Population Density (people per sq km of land acre)
BC Public Schools	6.8%	63%	4.4%	\$93, 013	3496
SD62	5.3%	61%	4.5%	\$94, 384	1517

Source: <u>B.C. Education System Performance - Sooke School District: Contextual Information (gov.bc.ca)</u>

Students with indigenous ancestry

In November 2021, the government released the latest <u>Aboriginal Report 2016/17 - 2020/21 How Are We Doing?</u> (HAWD)

The following report focuses on data generated from 2016/17 to the 2020/21 school year with a focus on the most current year (20/21) in comparison to previous year's trends. Something to note in this report is that there are changes to historical and trend data. Once a student has self-identified as being of Aboriginal ancestry (First Nations: Status and Non-Status, Métis and Inuit), the student is included in all reported outcomes for Aboriginal students. This approach ensures a consistent methodology for identifying Aboriginal students across years, as students may self-identify as Aboriginal on some enrolments and not on others.

Also note that work is underway to change the language of the Ministry data collection from 'Aboriginal' to 'Indigenous' in future data collection and reporting.

Student and District Context (Kindergarten - Grade 12), 2016/17 - 2020/21

 The number of students identifying as Aboriginal is 10.9% in 2020-21 (range from 10.6-12.2% since 2011-12); which is stable increasing on par with population growth within district – (<u>HAWD</u>, p.3).

- We have significantly more students identifying as Aboriginal who live offreserve than on-reserve (under 10% live on-reserve) (HAWD, p.5).
- The number of students identifying as Aboriginal who are in alternate programs, continues to decline, a pattern that has been ongoing for a number of years (32% in 2020-21 with a range of 35%, 35%, 39% and 40% in previous years) (HAWD, p. 7).
- The number of students identifying as Aboriginal with disabilities or diverse abilities continues to decline (20% in 2020-21with a range 22%, 23%, 23% and 24% in previous years) (HAWD, p.8).
- The number of students identifying as Aboriginal with learning disabilities represent close to the same percentage as non-Aboriginal students (29% vs 30% in 2020-21; 33% vs 31%; 34% vs 32%; 34% vs 34%; 31% vs 36% in previous years) (HAWD, p. 9).
- The number of students identifying as Aboriginal who have behaviour disabilities represent higher percentage than non-Aboriginal students (42% vs 32% in 2020-21; 38% vs 34%; 37% vs 33%; 37% vs 30%; 36% vs 30% in previous years) (HAWD, p. 9).

STUDENTS WITH DISABILITIES OR DIVERSE ABILITIES (GROUPS)

Groups: Sensory Disabilities includes categories E (Visual Impairment) and F (Deaf or Hard of Hearing); Learning Disabilities includes category Q (Learning Disability); Behaviour Disabilities includes categories H (Intensive Behaviour Interventions/Serious Mental Illness) and R (Moderate Behaviour Support/Mental Illness); and Gifted includes category P (Gifted).

Foundation Skills Assessment (FSA) Grades 4 and 7, 2016/17 - 2020/21

The FSA uses three levels to describe student performance. In 2017/18, the FSA categorization language evolved to reflect proficiency levels, and to be descriptive and strengths based. The new levels are Emerging \rightarrow On Track \rightarrow Extending. Previous categorization was Not yet meeting \rightarrow Meeting \rightarrow Exceeding.

FSA grade 4 - Reading Comprehension - 24 participants identifying as Aboriginal (31%) with 79% 'on track/meeting' compared to 224 non-Aboriginal with 71% on track/meeting (HAWD, p. 11).	Students identifying as Aboriginal had stronger results than those not identifying as Aboriginal 8% difference
FSA grade 4 - Writing - 21 participants (27%) with 81% "on track/meeting' 'compared to 214 non-Aboriginal with 80% "on track/meeting' '(HAWD, p. 12).	Students identifying as Aboriginal had <u>similar</u> <u>results</u> to those not identifying as Aboriginal 1% difference
FSA grade 4 - Numeracy - 22 participants (29%) with 50% 'meeting' compared to 222 non-Aboriginal with 72% "on track/meeting' ' (HAWD, p. 13).	Students identifying as Aboriginal had much lower results than those not identifying as Aboriginal 22% difference
FSA grade 7 - Reading Comprehension - 27 participants (21%) with 59% "on track/meeting" compared to 188 non-Aboriginal with 63% 'on track/meeting' –(HAWD, p. 14).	Students identifying as Aboriginal had <u>slightly lower</u> results than those not identifying as Aboriginal 4% difference
FSA grade 7 - Writing - 24 participants (19%) with 67% "on track/meeting' 'compared to 171 non-Aboriginal with 73% 'on track/meeting' - Aboriginal lower – (HAWD, p. 15).	Students identifying as Aboriginal had <u>lower</u> results than those not identifying as Aboriginal 6% difference
FSA grade 7 - Numeracy - 25 participants (19%) with 56% 'meeting' compared to 185 non-Aboriginal with 61% 'meeting' - Aboriginal lower (HAWD, p. 16).	Students identifying as Aboriginal had <u>lower</u> results than those not identifying as Aboriginal 5% difference

Grade 10 Numeracy Assessment - 'meeting' % is masked showing fewer than 10 learners in that category (masked since 2018-19) *concerning – (HAWD, p. 17).	The numeracy result for students identifying as Aboriginal is masked as few undertook this assessment
Grade 10 Literacy Assessment - 38 participants (29%) with 53% 'meeting/proficient' compared to 305 non-Aboriginal with 69% 'meeting/proficient' - Aboriginal significantly lower (<u>HAWD</u> , p. 18).	Students identifying as Aboriginal had <u>lower</u> results than those not identifying as Aboriginal
	16% difference

• If we follow the progress of students Grade 8 Cohort in 2015/16, a decline in progress begins in grade 9 and continues each year through to grade 12 where there is a significant decline (99%, 98%, 96%, 89%). There was a 71% completion in 2020-21 of students with an Aboriginal background compared with those of students who don't identify as Aboriginal (91%) non-Aboriginal *Aboriginal males declining at higher rate than Aboriginal females – (HAWD, p. 34).

PROGRESS OF STUDENTS ENTERING GRADE 8 IN SEPTEMBER 2015

	Aboriginal					nal	
School Year	Year	All Students %	Female %	Male %	All Students %	Female %	Male %
2015/16	Grade 8 Grade 9 Grade 10 Grade 11 Grade 12 Completion	100 99 98 96 89 71	100 100 99 98 93 80	100 98 98 94 85 61	100 100 100 100 98 91	100 100 98 99 99	100 100 100 100 98 90

(HAWD, p. 34).

The enhanced school district report below from 2019/20 illustrates the transition of students from Grade 8 (n=786, 100% where 30% (n=239) of the original student group are non-K-12 graduates and 69% (n=547) are K-12 graduates. Not surprisingly, those students who complete Grade 12 are more likely (n=431, 78%) to go onto Post-Secondary education than the group who do not graduate (n=46, 19%).

Transition to B.C. Public Post-Secondary Education (2019/20)

The following information shows the transitions of a cohort of students in this district, and:

- » how many of these students graduated from the B.C. school system by fall 2015; and
- » how many of these students enrolled in a B.C. public post-secondary institution by fall 2019

^{*}Note, these results do not include those students who enrolled in post-secondary institutions outside of B.C.

5-Year Completion Rate Dogwood or Adult Dogwood (2016/17 - 2020-21)

FIVE-YEAR COMPLETION RATE*

Aboriginal				Non-Aboriginal			
	All	F	Mala	All	F		
	Students	Female	Male	Students	Female	Male	
School Year	%	%	%	%	%	%	
2016/17	58	69	50	80	86	75	
2017/18	58	69	48	76	82	70	
2018/19	61	68	57	80	83	77	
2019/20	65	65	65	83	83	83	
2020/21	63	68	58	87	89	86	

- 63% Aboriginal vs 87% non-Aboriginal (<u>HAWD</u>, p. 35 and table below)
- 6-Year Completion Rate Dogwood or Adult Dogwood (2016/17 2020-21) 71% Aboriginal vs 91% non-Aboriginal (5-year range is 68-72% for Aboriginal students) (HAWD, p. 36).

C

- *80% for ALL students as seen on 6-Year Completion Rates <u>B.C. Education</u>
 <u>System Performance Sooke School District: Completion Rates (gov.bc.ca)</u>
- BC Certificate of Graduation ('dogwood') 47% Aboriginal vs 64% non-Aboriginal (HAWD, p. 38)
- The five-year completion rate is lower for male students who identify as Aboriginal in comparison to female students of identify as Aboriginal. This mirrors the results for those who don't identify as Aboriginal, with females completing school at a higher rate than their male peers.

BC CERTIFICATE OF GRADUATION ("Dogwood")

	Ab	Non-A	Non-Aboriginal

<u>SD62</u> p. 38	47%	64%	17%
<u>SD63</u> p. 38	23%	43%	20%
<u>SD68</u> p. 38	51%	73%	22%
(Nanaimo/Ladysmith)			

Grade-to-Grade Transition

This section will explore grade-to-grade transitions by overall results; by gender; and by students who identify as indigenous.

Background

Grade-to-Grade Transition is the percent of students who make a successful transition to a higher grade the following year. Data are available for previous years and for sub-populations of students.

Data

Overall Results

Grade	2017/18	2018/19	2019/20	2020/21

Link to Ministry of Education Website:

Ministry of Education Grade-to-Grade Transition

Analysis:

Overall Results:

- Over the past decade, grade-to-grade transition has continued to improve for the district.
- Transition at the Grade 8, 9 and 10 level has remained in the high 90% range.
- Grade 11 transition:
 - has moved slightly over the past five years, moving from the mid-80 percent range to the high 80's.
 - Over the past five years, the province has moved away from Provincial Examinations to Literacy and Numeracy Assessments. The change to school-based assessment practices that more closely align to the context of student learning may account for the gradual increase in transition rates.
 - The Grade 11 transition data requires further discussion and investigation to determine what interventions may prove successful to increase this and bring it to parity with transition at the other grade levels.

Sub-Populations:

- Results across each of our sub-populations (gender and Indigenous populations) show consistent results and parity amongst groups.
- Of particular note is the consistent increase in Grade 11 transition for students with Indigenous ancestry.
- Across all sub-populations, Grade 11 transitions remain the lowest. This
 continues to be an area for further investigation.

Student Satisfaction

This section will explore: student satisfaction analysing a series of questions asked of students each year on their experience of school.

Every year, for over 10 years, the Ministry of Education invites students in grades 4, 7, 10 and 12, their parents and all staff in B.C. public schools to complete an online survey about their school experience. The survey is currently <u>underway</u> for the current school year and closes at the end of April 2022.

Figures are highlighted where there is at least a <mark>5%</mark> or <mark>10%</mark> difference in satisfaction between students identifying as Aboriginal and those who don't.

A link to the student learning survey questions is <u>available</u>.

Student results are detailed in the tables below. Caution should be taken with assuming the results reflect the whole of the student experience in the district as responses account for less than 20% of students in the district, however the findings do suggest areas for more enquiry.

Do you like school?

Responses to this question suggest a low level of liking school in grade 7 and 10. There is an increase in grade 12 but it doesn't reach the percentage of students who like school in grade 4. It would be interesting to know the reasons behind why school is not liked, particularly in middle and secondary school.

Teachers help you with schoolwork?

The over 10% variance in responses of those students who identify as Aboriginal and those who don't, suggests action is required at secondary level with schoolwork help for students who identify as Aboriginal.

Given this, it is interesting to note that Middle School help with school work was reported as significantly more frequently for students who identify as Aboriginal.

2020-21 Results All of the time or many times	Grade	Ab %	Non-Ab %
Do you like school?	4	67%	66%
~middle school Aboriginal percent down in last 5 years	7	38%	39%

	12	Na?	Na?

Satisfied school is preparing you for a future job?	10	19%	23%
	12	Msk	24%
Satisfied school is preparing you for post-secondary?	10	32%	37%
	12	Msk	38%

Adults treat all students fairly?

There is more support for this statement for students identifying as Aboriginal in Grade 7 than their non-Aboriginal peers. However, by Grade 12, there is a lower score of support by students identifying as Aboriginal than their peers.

Do you feel safe at school?

Secondary students who identify as Aboriginal feel less safe at school that their peers who don't identify as Aboriginal. It would be valuable to find out more about these data so that safety concerns can be dealt with.

Student Satisfaction on <u>B.C. Education System Performance - Sooke School District:</u> <u>Student Satisfaction (gov.bc.ca)</u> includes three additional questions with results for Elementary and Secondary as seen here:

Results All of the time or many times	Level	Ab %	ALL %
Are you satisfied with what you're learning at school?	Elementary	20%	24%
	Secondary	<mark>20%</mark>	<mark>29%</mark>
At school, are you learning how to stay healthy?	Elementary	53%	50%
	Secondary	<mark>41%</mark>	<mark>48%</mark>
Do you feel welcome at your school?	Elementary	<mark>53%</mark>	<mark>72%</mark>
	Secondary	23%	67%

<u>Are you satisfied with what you're learning at school?/ Preparation for Work/Preparation for Post Secondary</u>

From all students surveyed, there is a low level of satisfaction with what students are learning at school as well as low satisfaction of being prepared for work or post secondary. These results are found in districts across the province.

Do you feel welcome at your school?

Students who identify as Aboriginal report not feeling welcome at school to a greater degree than their non-Aboriginal peers. Given that the engagement priority of the strategic plan is a culture of belonging, it would be interesting to understand

this score in more depth so that measures to encourage students to feel welcome can be effectively targeted.

Board Info Note February 22, 2022 Agenda Item: 9.1 Enrolment Estimate for 22/23

Background

- Staff have recently submitted the enrolment estimates for the 22/23 school year to the Ministry of Education (attached)
- This process is completed each year by February 15th and these estimates are used in developing the **Preliminary Budget** amounts for the operating grant
- These amounts are then confirmed in September when actual enrolment in established which then leads to the Amended Budget process (agenda item 7.1)
- The estimated enrolment by school has also been provided for the Board's review these
 numbers are still fluid as we manage catchment changes and School Change Request forms

22/23 Enrolment Estimates

- With last year's historic growth of 735 FTEs or 6.7%, it remains difficult to determine if the District will revert back to the average growth of between 3% and 4% or remain at elevated levels of 5% or 6%
- Based on trend analysis, transition rates and local knowledge, the District is estimating to grow (K-12 standard enrolment) by almost 3% or 345 FTEs (enrolment estimate of 12,006)
- This is a conservative estimate while being slightly higher than the Ministry estimate of 11,980
- The District's budget model allows for an increase in the enrolment estimate if additional registrations are received prior to the 1st reading of the budget
- Staff will continue to monitor the registration process to determine if the enrolment estimate requires adjustment prior to the debate of the budget

• Enrolment growth by Municipality:

Municipality	21/22	22/23	# Change	% Change
Colwood	4,465	4,320	(145)	(3.25%)
Langford	4,635	5,102	467	10.08%
Sooke	2,356	2,368	12	.51%
Metchosin	205	216	11	5.37%
Total	11,661	12,006	345	2.96%

Step 1: Enter your school district number here:

62 Sook

Ministry of Education enrolment trend estimates are automatically filled once a school district number is entered above.

Step 2: Enter your district's enrolment estimates in the shaded cells of the District column for each of the three years displayed.

*Notes: Ministry estimates for school-age FTE enrolment in standard (regular) schools are determined by applying the Ministry-projected percentage change in enrolment for each district to the funded school-age FTE enrolment as used in the 2021/22 operating grant autumn recalculation

Special Needs, ELL and Indigenous Education have been estimated using five-year enrolment trends.

Continuing Education, Distributed Learning, Alternate Schools, Adult FTE, Summer Learning and Grade 8-9 Cross-Enrolment

enrolment totals are all carried forward from the 2021/22 operating grant autumn recalculation.

Enrolments for February and May are carried forward from estimates contained in the 2021/22 operating grant autumn recalculation.

Step 3: Enter estimates for the cause of your district's student movement for 2022/23. Include any relevant key assumptions that your district has made in its estimates in the Comments column.

	2022/23	Comments:	
Net provincial in-migration			
Net international in-migration			
Net migration to/from independent schools			
Net other entrances/exits (to/from other districts, graduates, Kindergarten)			
Total Estimated School-Age Enrolment Movement	0.0000		

Step 5: Please provide a contact for follow-up questions:

Name: Paul Block
Title: Associate Superintendent

Agenda Item: 10.2 BCSTA VISTA 2022 Spring Forum Speaker

Background

- The Board has been requested by the Vancouver Island School Trustee Association (VISTA) to consider contributing funding in the amount of \$1,700 to fund a guest speaker at their Spring conference
- The conference is scheduled for March 5th and mental health has been identified as a priority focus for the conference
- Organizers of the conference have tentatively booked a program based out of Vancouver named "Stand Up for Mental Health" to be the keynote speaker
- The British Columbia School Trustee Association (BCSTA) has created a special fund for Districts to access for Board professional development and training
- The Board, along with others on the Island, has been asked by VISTA to consider using the special funding from the BCSTA to contribute to the costs of bringing the keynote speaker to the conference in March
- Staff have created the following motion for the Board to consider:

<u>Motion Requested</u>: That the Board of Education of School District 62 (Sooke) authorize spending up to \$1,700 of School District 62 BCSTA Special Funds to engage "Stand up for Mental Health" as a guest speaker of the BCSTA VISTA 2022 Spring Conference.

Board Info Note Public Board Meeting February 22, 2022

Agenda Item 11.1: Superintendent's Update

Learning

Seamless Day Pilot Program: The Seamless Day Pilot Program has been a great success at Millstream Elementary school. There are nine registered students. The two ECE's and K teacher collaboratively plan rich learning for before, during and after school for participating children. These professionals are committed to the Seamless Day pilot and have set it up for success. Additionally, EA hours have been added into the after school program. This helps better support the EA to have continuous work in the District.

Middle School Philosophy: Middle school principals have been meeting for two years to refine a 'Middle School Philosophy.' The next step is a Thought Exchange engagement survey to solicit feedback from staff, students and our parent community. It has been an exciting and interesting process.

Elementary Learning: With gratitude to the Sooke School Board, the Enhanced Elementary Learning Resource Budget (funds allocated through reserve revenue) has been spent on early literacy leveled readers, guided reading sets, high interest/low level texts and math resources in all of our elementary schools. These resources will support the implementation of a district literacy plan with a focus on Early Learning.

School Plans: As part of our work on the Framework for Enhancing Student Learning (FESL) and Student Success Metrics, discussions with PVP at the Elementary/Middle/Secondary level have now occurred. Next steps include meeting with stakeholder groups to discuss implementation, developing a draft planning process and template. Each school will have a three year plan (updated annually) in place to be submitted to the Ministry of Education by September 30, 2022.

Engagement

Something Good Friday at SD62: Our new Manager of Strategic Communications, Kristen McGillivray, has started a new weekly activity on SD62s Facebook site of asking the district community to share something good every Friday. This will capture the many great things happening around our district - big and small. The <u>first item</u> shared was from Spencer Middle School. "A couple of grade 6 students have started a mini movement by picking up trash with their "picker-uppers" on their way to and from school. They want to help keep Langford clean. Their actions have caught on with their classmates and they've joined too. We're excited to hear about what they do next. Our hats off to them!"

Growth

Digital Governance: Through our Digital Governance Committee, the district has been supporting ongoing privacy education for staff, particularly around 3rd party cloud-based applications. As the district becomes more dependent upon digital technologies and data collection, it is increasingly important that staff understand their role in supporting privacy and data security.

VOIP Installation: VOIP (Voice Over Internet Protocol) installation is underway at Dunsmuir, Willway and EMCS. This process replaces failing analog phone systems with web-based phones. Expected completion of the project is by end of Spring Break.

Enrolment Projections Dashboard: The IT Department has been working to develop a Consolidated Enrolment Projections dashboard to assist in enrolment projections, school space planning (new divisions) and long range facility planning. Accurate projections of enrolment numbers assist the district in developing a sustainable budget and allocation of resources to support student learning.
